QUALITY PROPELLANTS FOR OVER 60 YEARS

CAUTION

CE 0519

BEFORE USING Know safe operation of your firearm. Know characteristics of smokeless powders. Read safe usage and storage instructions in our **BASIC MANUAL**. It is available from: 1.) the dealer selling this product, 2.) our Web site or 3.) directly from **HODGDON POWDER COMPANY**. You may also consult the pamphlet "Properties and Storage of Smokeless Powders" from SAAMI, Flintlock Ridge Office Center, 11 Mile Hill Road, Newton, CT 06470-2359, http://www.saami.org. Use this smokeless powder propellant **ONLY** for loading cartridges in strict accordance with Hodgdon Powder Company data for this powder. Failure to use exactly in accordance with such instructions and data may result in **SEVERE PERSONAL INJURY OR DEATH** to the user and/or bystanders.

- Keep container tightly closed
- Clean up spilled powders; do not use vacuum cleaner
- **Never** substitute this powder for black powder or any black powder substitute or use in muzzleloading firearms.
- Do not store in same area with highly combustible materials
- Minimize inhalation and skin contact
- Do not take internally

Every precaution should be taken for **SAFE HANDLING** of these extremely flammable* powders. Inspect each container on a regular basis for signs deterioration (explained in booklet or data manual). Since we cannot control handling, storage, use and loading after this product leaves our plant, **we make no warranties, either express or implied, and specifically disclaim any and all implied warranties of merchantability and/or implied warranties of fitness for a particular purpose.**
