**CONFIRMATORY GRANT OF SECURITY INTEREST
IN UNITED STATES TRADEMARKS**

THIS CONFIRMATORY GRANT OF SECURITY INTEREST IN UNITED STATES TRADEMARKS (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Confirmatory Grant") is made effective as of April 13, 2009 by and from TREK BICYCLE CORPORATION, a Wisconsin corporation (the "Grantor"), to and in favor of JPMORGAN CHASE BANK, N.A. ("JPMorgan"), as collateral agent for the Lenders (as defined in the Credit Agreement referred to below) and for the holders of the Notes (as defined in the Note Purchase Agreement referred to below) (in such capacity, the "Grantee").

WHEREAS, the Grantor, the Lenders and JPMorgan, as administrative Agent (in such capacity, the "Administrative Agent") have entered into a Credit Agreement dated as of April 13, 2009 (as may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement").

WHEREAS the Grantor, pursuant to an Amended and Restated Note Purchase Agreement, dated as of April 13, 2009, to which the Borrower and the holders of the Notes (the "Noteholders" and together with the Administrative Agent and the Lenders, the "Creditors") are subject (as may be amended, restated, supplemented or otherwise modified from time to time, the "Note Purchase Agreement"), has issued certain Notes to the Noteholders (as the same may be amended, restated, supplemented or otherwise modified from time to time).

WHEREAS, certain Subsidiaries of the Grantor (the "Subsidiary Guarantors") may from time to time guarantee the repayment of the Obligations pursuant to one or more guaranties (as may be amended, restated, supplemented or otherwise modified from time to time, the "Guaranty").

WHEREAS, the Grantor and certain Subsidiaries of the Grantor have entered into a Pledge and Security Agreement dated as of April 13, 2009 (as may be amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement").

WHEREAS, the Grantor owns the trademarks listed on Exhibit A attached hereto (the "Trademarks"), which Trademarks are pending or registered with the United States Patent and Trademark Office.

WHEREAS, this Confirmatory Grant has been granted in conjunction with the security interest granted under the Security Agreement to the Grantee for the benefit of the Creditors. The rights and remedies of the Grantee with respect to the security interest granted herein are without prejudice to and are in addition to those set forth in the Security Agreement and the other Senior Indebtedness Documents, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Confirmatory Grant are deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern.

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is hereby agreed that:

- 1) Definitions. All capitalized terms not defined herein shall have the respective meaning given to them in the Security Agreement.
- 2) The Security Interest.

(a) This Confirmatory Grant is made to secure the satisfactory performance and payment of (i) all the Obligations and (ii) all of the obligations and liabilities of the Subsidiary Guarantors under the Guaranty, if any. Upon the payment in full of all Obligations (other than Unliquidated Obligations), the Grantee shall promptly, upon such satisfaction, execute, acknowledge, and deliver to the Grantor all reasonably requested instruments in writing releasing the security interest in the Trademarks acquired under the Security Agreement and this Confirmatory Grant.

(b) The Grantor hereby grants to the Grantee a security interest in (1) all of the Grantor's right, title and interest in and to the Trademarks whether now owned or hereafter acquired by the Grantor (including, without limitation, all common law rights with respect to such Trademarks, all applications for registration filed with respect to such Trademarks and all registrations issued with respect to such Trademarks), together with (2) all proceeds of the Trademarks, (3) the goodwill associated with such Trademarks and (4) all causes of action arising prior to or after the date hereof for infringement of the Trademarks or unfair competition regarding the same.

3) Counterparts. This Confirmatory Grant may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

4) Governing Law. This Confirmatory Grant and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

IN WITNESS WHEREOF, the Grantor has executed this Confirmatory Grant effective as of the date first written above.
