- The toothbrush head is designed with super soft bristles, which is very suitable for cleaning sensitive areas and brings you a lasting fresh feeling.
- Prevent the bristles from the side to the side of the cavity from sweeping away the plaque, and it is difficult for the moving power head to penetrate the area and the surface of the fixed bristles.
- Just pop out the old toothbrush head and buckle the new toothbrush head smoothly, easy to install
- The power tip can be used to clean hard-to-reach oral areas
- The built-in brush head replacement reminder function lets you know when to replace the brush head, so you don't have to remember
