United States Patent and Trademark Office

OMRON

Reg. No. 5,298,735

Registered Oct. 03, 2017

Int. Cl.: 7

Trademark

Principal Register

OMRON Corporation (JAPAN CORPORATION)

801, Minamifudodo-cho

Horikawahigashiiru, Shiokoji-dori, Shimogyo-ku, Kyoto-shi Kyoto 600-8530

JAPAN

CLASS 7: Industrial robots; robotic arms for industrial purposes; industrial robots machines; self-propelled robots used for carrying cargoes for industrial purposes; conveying robots and their structural parts and fittings; robots and robotic arms for sorting, carrying and supplying parts as an adjunct to industrial assembly operation; structural parts for industrial robots, namely, product grippers, graspers and end effectors for industrial robots; industrial robots and robotic arms for metalworking; metalworking machines and tools, namely, laser marking machines; mining machines and apparatus, namely, industrial robots and robotic arms for mining; construction machines and apparatus, namely, industrial robots and robotic arms for construction; loading-unloading machines and apparatus, namely, industrial robots and robotic arms for loading-unloading; robots and robotic arms for industrial fishing; industrial fishing machines; chemical processing machines and apparatus, namely, industrial robots and robotic arms as chemical processing machines and apparatus; textile machines and apparatus, namely, industrial robots and robotic arms as textile machines; food or beverage processing machines and apparatus, namely, industrial robots and robotic arms for food or beverage processing; lumbering, woodworking, or veneer or plywood making machines and apparatus, namely, industrial robots and robotic arms for lumbering, woodworking, or veneer or plywood making; pulp making, papermaking or paper-working machines and apparatus, namely, industrial robots and robotic arms for pulp making, papermaking or paper-working; printing or bookbinding machines and apparatus, namely, industrial robots and robotic arms for printing or bookbinding; sewing robots and robotic arms; sewing machines; agricultural machines, agricultural implements other than hand-operated, namely, industrial robots and robotic arms for agricultural use; industrial robots and robotic arms for shoe making; shoe making machines; industrial robots and robotic arms for leather tanning; leather tanning machines; industrial robots and robotic arms for tobacco processing; tobacco processing machines; glassware manufacturing machines and apparatus, namely, industrial robots and robotic arms for glassware manufacturing; painting machines and apparatus, namely, industrial robots and robotic arms for painting; packaging or wrapping machines and apparatus, namely, industrial robots and robotic arms for packaging or wrapping; industrial robots and robotic arms for ceramics processing; power-operated potters' wheels; industrial robots and robotic arms for plastic processing; plastic processing machines and apparatus, namely, laser marking machines; industrial robots and robotic arms for manufacturing electronic components; industrial robots and robotic arms for semiconductor manufacturing; semiconductor manufacturing machines; machines and apparatus for manufacturing rubber goods, namely, industrial robots and robotic arms for manufacturing rubber goods; stone working machines and apparatus, namely, industrial robots and robotic arms for stone working; pneumatic or hydraulic machines and instruments, namely, industrial robots and robotic arms as pneumatic or hydraulic machines and instruments; industrial robots and robotic arms for fuel dispensing for service stations; fuel dispensing machines for service stations; industrial robots and robotic arms for washing laundry; washing machines for laundry; repairing or fixing machines and apparatus, namely, industrial robots and robotic arms for repairing or fixing; industrial robots and robotic arms for vehicle washing; vehicle washing installations; industrial robots and robotic arms for food mixing for commercial use;

Joseph Matal

Performing the Functions and Duties of the
Under Secretary of Commerce for
Intellectual Property and Director of the
United States Patent and Trademark Office

food mixing machines for commercial use; industrial robots and robotic arms for food peeling for commercial use; food peeling machines for commercial use; industrial robots and robotic arms for food cutting, chopping and slicing for commercial use; food cutting, chopping and slicing machines for commercial use; industrial robots and robotic arms for dishwashing; dishwashers; industrial robots and robotic arms for floor polishing; robots and robotic arms for wax-polishing; electric machines and apparatus for wax-polishing; robots and robotic arms for vacuum cleaning; electric vacuum cleaners; robots and robotic arms for spraying for disinfecting, insecticides and deodorants not for agricultural purposes; power sprayers for disinfecting, insecticides and deodorants not for agricultural purposes; robots and robotic arms for lawn-mowing; lawnmowers; non-electric prime movers not for land vehicles and parts thereof; adhesive tape dispensing machines; automatic stamping machines; vending machines; mechanical parking systems; machine elements not for land vehicles; curtain drawing devices electrically operated; electric door openers; waste compacting machines and apparatus; waste crushing machines; 3D printers; starters for motors and engines; AC motors and DC motors not including those for land vehicles but including "parts" for any AC motors and DC motors; alternators; DC generators; electric food blenders for household purposes; dynamo brushes

The mark consists of the wording "OMRON" in stylized font.

OWNER OF INTERNATIONAL REGISTRATION 1318180 DATED 12-22-2015,
EXPIRES 12-22-2025

The wording "OMRON" has no meaning in a foreign language.

SER. NO. 79-195,790, FILED 12-22-2015

REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION

WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.

Requirements in the First Ten Years*

What and When to File:

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.* See 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*

What and When to File:

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.
