Good morning,

I hope all is well since our last exchanges.

I am contacting you regarding the aforementioned mark. To give you a bit of background, my client received an office action based on a mark that we thought was not in use. Our application was thus suspended and, in fact, US CHARLIMNG CHARLIE RSVP (Registration Number: 4760489) was

cancelled because registrant did not file an acceptable declaration under Section 8. Can you kindly tell me what the next step is to get our application moved through the next step?

Thank you for your help in this matter.
