## STERLING

**Reg. No. 5,530,472**

STERLING LUMBER COMPANY, LLC (ILLINOIS LIMITED LIABILITY COMPANY)  
501 E. 151st Street  
Phoenix, ILLINOIS 60426

**Registered Jul. 31, 2018**

**Int. Cl.: 19, 20, 31, 35, 37,  
39, 40, 41**

**Service Mark**

**Trademark**

**Principal Register**

CLASS 19: Shielding, namely, lumber configured for protecting decks of bridges and to shield the environment below bridges during construction; retention walls made of wood for earth retention; lagging, namely, lumber configured for earth retention during excavation; lagging panels, namely, assembled wooden panels for earth retention during excavation; shaft and tunnel lagging, namely, lumber configured for earth retention for shafts and tunnels; wooden ground protection mats, namely, crane mats, site access mats, and timber mats; barge mats, namely, timber mats configured to distribute weight of cargo; outrigger mats, namely, wooden articles configured for load distribution under outrigger pads of mobile cranes; excavator mats, namely, wooden articles configured for ground protection and load distribution under excavation machinery; floater mats, namely, wooden articles configured to float on water and act as a portable work station or scaffold in marine environments; transition mats, namely, wooden articles configured to allow mobile equipment to transition onto other ground protection matting; trestle mats, namely, wooden articles configured as a temporary working surface on uncompleted bridges; pilings of wood; vessel saddles, namely, large wooden timbers configured to secure and support curved vessels; crating, namely, wooden boxes for shipment of articles; blocking lumber; earth retention lumber; custom radius cut block supports for supporting steel coils during shipment; construction lumber; plywood and forming plywood; construction timber; creosote lumber; tunnel ties, namely, custom cut railroad ties for use in connection with tunnel boring operations; marine plywood; pole barn steel; skids; crates; pallet boxes; sheathing; pre-cut lumber; timbers; wheel chocks made primarily of wood; wooden wedges for securing articles; wooden dunnage for securing or supporting articles

FIRST USE 00-00-2007; IN COMMERCE 00-00-2007

CLASS 20: Non-metal pallets; non-metal pipe cradles in the nature of non-metal pallet like items used to transport or store pipes

FIRST USE 00-00-2007; IN COMMERCE 00-00-2007

CLASS 31: Raw timber

FIRST USE 00-00-2007; IN COMMERCE 00-00-2007

CLASS 35: lumber and timber resource management

FIRST USE 00-00-2007; IN COMMERCE 00-00-2007

CLASS 37: Rental of mats for use in construction operations; installation of mats; removal of mats

*Andrei Iancu*

Director of the United States  
Patent and Trademark Office

FIRST USE 00-00-2007; IN COMMERCE 00-00-2007

CLASS 39: Warehousing services, namely, storage, distribution, pick-up, transport, delivery and packing for shipment of lumber and timber products

FIRST USE 00-00-2007; IN COMMERCE 00-00-2007

CLASS 40: Sawmill services; timber logging; timber felling and processing; custom manufacturing of lumber and timber products, namely, shielding, namely, lumber configured for protecting decks of bridges and to shield the environment below bridges during construction, retention walls made of wood for earth retention, lagging, namely, lumber configured for earth retention during excavation, lagging panels, namely, assembled wooden panels for earth retention during excavation, shaft and tunnel lagging, namely, lumber configured for earth retention for shafts and tunnels, wooden ground protection mats, namely, crane mats, site access mats, and timber mats, barge mats, namely, timber mats configured to distribute weight of cargo, outrigger mats, namely, wooden articles configured for load distribution under outrigger pads of mobile cranes, excavator mats, namely, wooden articles configured for ground protection and load distribution under excavation machinery, floater mats, namely, wooden articles configured to float on water and act as a portable work station or scaffold in marine environments, transition mats, namely, wooden articles configured to allow mobile equipment to transition onto other ground protection matting, trestle mats, namely, wooden articles configured as a temporary working surface on uncompleted bridges, pilings of wood, vessel saddles, namely, large wooden timbers configured to secure and support curved vessels, crating, namely, wooden boxes for shipment of articles, blocking lumber, earth retention lumber, custom radius cut block supports for supporting steel coils during shipment, construction lumber, construction timber, tunnel ties, namely, custom cut railroad ties for use in connection with tunnel boring operations, crates, pre-cut lumber, timbers, wheel chocks made primarily of wood, wooden wedges for securing articles, wooden dunnage for securing or supporting articles

FIRST USE 00-00-2007; IN COMMERCE 00-00-2007

CLASS 41: Rental of mats for use at sporting events, live concerts, and outdoor entertainment events

FIRST USE 00-00-2007; IN COMMERCE 00-00-2007

THE MARK CONSISTS OF STANDARD CHARACTERS WITHOUT CLAIM TO ANY PARTICULAR FONT STYLE, SIZE OR COLOR

SER. NO. 86-397,202, FILED 09-17-2014

**REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION**

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

**Requirements in the First Ten Years\***

**What and When to File:**

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.\* See 15 U.S.C. §1059.

**Requirements in Successive Ten-Year Periods\***

**What and When to File:**

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.\*

**Grace Period Filings\***

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

**\*ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

**NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.**

**NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.**
