## VIVINT.SMARTHOME

**Reg. No. 5,360,506**

**Registered Dec. 19, 2017**

**Int. Cl.: 9, 35, 37, 42, 45**

**Service Mark**

**Trademark**

**Principal Register**

Vivint, Inc. (UTAH CORPORATION)  
4931 North 300 West  
Provo, UTAH 84604

CLASS 9: Home automation systems comprising wireless and wired controllers, controlled devices, and software for lighting, HVAC, security, safety and other home monitoring and control applications; home security systems comprising entry door touch pads, doorbell video, video recording, glass break detector, motion detector, security alarms, smoke detector, door and window sensors garage door control; electronic and wireless control panels for security and home automation systems; energy management systems comprising energy meters for tracking and monitoring energy usage and controls for limiting energy usage for small appliances; climate control systems comprising digital thermostats; lighting systems comprising lighting controls for limiting energy usage of lights; building control systems comprising remote controlled electronic and wireless controllers for managing energy usage for heating, cooling, lights and small appliance; fire and burglar alarms for residential and commercial buildings; gas alarms, namely, carbon monoxide detectors; emergency alarms, namely, emergency evacuation devices in the nature of fire alarm control panels and smoke detectors; trouble alarms for residential and commercial buildings, namely, sound alarms, motion detectors for perimeters, doors and windows, panic buttons incorporated into a pendant for safety alert purposes and sensors for water flooding; lighting systems, namely, lighting controls; energy management systems, namely, electric controls for monitoring and adjusting energy usage; video cameras; video systems consisting of video cameras, video monitors, video recorders and video transmission apparatus; automation lock systems comprising electronic controls for monitoring and controlling electronic locking mechanisms; home and office HVAC automation systems comprising wireless and wired controllers, controlled devices, software and electronic control devices for monitoring and controlling home and office heating and cooling operations

FIRST USE 2-17-2016; IN COMMERCE 2-17-2016

CLASS 35: Door to door shopping in the field of burglar, trouble, security and /or fire alarms, building control, security and automation systems, HVAC automation and monitoring systems, energy management systems, lighting system controls, door locking systems, namely, those which are controlled and monitored through an alarm system panel or remotely through wireless communication, CCTV and video cameras

FIRST USE 2-17-2016; IN COMMERCE 2-17-2016

CLASS 37: Installation and maintenance of building control and electromechanical security and automated systems, namely, HVAC systems, energy management systems, burglar, trouble, security and/or fire alarms, lighting systems, door locking systems that are controlled through an alarm system panel, CCTV and video cameras

*Joseph Matal*

Performing the Functions and Duties of the  
Under Secretary of Commerce for  
Intellectual Property and Director of the  
United States Patent and Trademark Office

FIRST USE 2-17-2016; IN COMMERCE 2-17-2016

CLASS 42: Consulting services in the field of home automation; monitoring of building control and automation systems, namely, monitoring HVAC systems and monitoring of energy management systems

FIRST USE 2-17-2016; IN COMMERCE 2-17-2016

CLASS 45: Consulting services in the field of home security; monitoring security systems; monitoring burglar, trouble, fire and security alarm systems; monitoring of door locking systems for security purposes, namely, providing intrusion and trouble alerts through wireless communication; live monitoring for security purposes, namely, providing CCTV and video monitoring of facilities, viewable through a communications network

FIRST USE 2-17-2016; IN COMMERCE 2-17-2016

THE MARK CONSISTS OF STANDARD CHARACTERS WITHOUT CLAIM TO ANY PARTICULAR FONT STYLE, SIZE OR COLOR

OWNER OF U.S. REG. NO. 4560659, 4448243, 4560660

SER. NO. 86-890,338, FILED 01-28-2016

**REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION**

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

**Requirements in the First Ten Years\***

**What and When to File:**

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.\* See 15 U.S.C. §1059.

**Requirements in Successive Ten-Year Periods\***

**What and When to File:**

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.\*

**Grace Period Filings\***

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

**\*ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

**NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.**

**NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.**
