Dear Mr. Aikens,

I am inquiring on behalf of Evan Kent with respect to U.S. Application No. 87332379., Please note that, a post publication amendment was filed on February 20, 2018 and then on March 16, 2018, a suspension letter was issued requesting a copy of the foreign registration upon which we are now basing the application on 44(e).

Please note that the copy of the foreign registration was indeed submitted on February 20, 2018 with the post publication amendment.

We note that a "Prosecution History for Cancelling NOA" was issued on March 17, 2018. Please advise as to when you anticipate the registration issuing, as our client is most anxious to obtain registration. Please also confirm that you have the copy of the foreign registration certificate filed with our post publication amendment.

Thank you for your assistance. Kind regards.

-Steve
