ECL

Reg. No. 5,679,144

Registered Feb. 19, 2019

Int. Cl.: 42

Service Mark

Principal Register

Emerald Cloud Lab, Inc. (DELAWARE CORPORATION)
844 Dubuque Ave.
South San Francisco, CALIFORNIA 94080

CLASS 42: Software as a service featuring software for designing laboratory experiments, for running laboratory experiments, and for reviewing laboratory experiment controls, equipment, and environmental data ; software as a service featuring software for reviewing laboratory experiment results; software as a service featuring software for research and development of chemicals, pharmaceuticals, biologics, and vaccines; software as a service featuring software for scientific testing of chemicals, pharmaceuticals, biologics, vaccines, and medical devices; software as a service featuring software for biopharmaceutical research design and scientific testing services; software as a service featuring software for product safety testing for pharmaceuticals, biopharmaceuticals, chemicals, medical devices, vaccines, and biologics; software as a service featuring software for toxicological safety testing services for pharmaceuticals, chemicals, and consumer products; software as a service for developing quality control and custom assays; software as a service for remotely deploying quality control and custom assays; software as a service for remotely managing the performance of quality control and custom assays; software as a service featuring software for running computer simulations of laboratory experiments, for running computer simulations of biological and chemical phenomena and systems, for optimizing laboratory experiment parameters with computational methods, and for comparison of computer simulations against empirically observed laboratory experiment results; and software as a service for providing regulatory compliance documentation following experiments, for performing regulatory agencies audits following experiments, and for performing internal audits following experiments

FIRST USE 7-1-2014; IN COMMERCE 7-1-2014

THE MARK CONSISTS OF STANDARD CHARACTERS WITHOUT CLAIM TO ANY PARTICULAR FONT STYLE, SIZE OR COLOR

SER. NO. 88-004,917, FILED 06-18-2018

REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION

WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.

Requirements in the First Ten Years*

What and When to File:

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.* See 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*

What and When to File:

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.
