Subject: [Non-DoD Source] 88055235 DEUS ET PATRIA FIGHTING 32

Mr. Badagliacca:

The description requires further clarification, particularly with respect to color. Additionally, the applicant must claim white as it appears in the enclosed part of the circle.

Current description:

The mark consists of a circle border enclosing a banner at the top with the wording DEUS ET PATRIA, an anchor, shield and wing design below the banner, a lion holding a sword below, an anchor and rope to the side of the lion, and in the background a shield with a diagonal stripe. Below the circle is a banner with the wording FIGHTING-32.

Proposed amendment:

The mark consists of a black circle border surrounding a white circle border enclosing a black shaded circle containing a blue banner at the top with the wording DEUS ET PATRIA in black with a blue shield below with a yellow wing design at the top, a yellow lion holding a yellow sword below, a yellow anchor and rope on a smaller blue shield outlined in black to the side of the lion, and a diagonal yellow stripe behind the lion and shield containing the anchor design. Below the circle is a blue banner outlined in black with the wording FIGHTING-32 in black. The white background is not claimed as part of the mark.

Color claim - add white

The colors blue, black, yellow and white are claimed as a feature of the mark.

These issues may be resolved by Examiner's Amendment. You may respond to the email or call me at the telephone number below.

Thank you.
