United States Trademark Application Serial No. 88268557

Dear Femi Alashi,

I am the assigned trademark examining attorney for the above-referenced application. The application will be ready to proceed once applicant agrees to clarify the mark description. If the changes below are acceptable, I will issue an examiner's amendment accordingly (changes required are bolded):

**Mark Description :** The mark consists of **the word "TAKEN" to the right of a stylized person composed of a circle with a check mark inside and rectangle with curved sides and edges. The word and design are inside are a shaded rectangle.**

Please let me know by phone or email if you agree to allow me to correct the above by an examiner's amendment or if you have any questions about the application.

Sincerely,

Christina Calloway
