### ECL CONSTELLATION

**Reg. No. 6,011,426**

Emerald Cloud Lab, Inc. (DELAWARE CORPORATION)  
844 Dubuque Ave.

**Registered Mar. 17, 2020**

San Francisco, CALIFORNIA 94080

**Int. Cl.: 42**

**Service Mark**

**Principal Register**

CLASS 42: Cloud computing for remote medical laboratories featuring software for use in monitoring laboratory equipment and recording data; Cloud computing for remote scientific laboratories featuring software for use in monitoring laboratory equipment and recording data; Cloud computing for remote laboratory experiments on behalf of others featuring software for use in monitoring laboratory equipment and recording data; software as a service featuring software for use in data processing for remote laboratory experiments, for running remote laboratory experiments, for reviewing remote laboratory experiment controls, equipment, and environment data, and for reviewing remote laboratory experiment results; software as a service featuring software for use in data processing for computer simulations of remote laboratory experiments and for computer simulations of biological and chemical phenomena and systems; cloud computing featuring software for use in data processing for remote scientific testing of chemicals, pharmaceuticals, biologics, vaccines, and medical devices; cloud computing featuring software for use in data processing for biopharmaceutical research design and scientific testing services; cloud computing featuring software for use in data processing for product safety and quality assurance testing for pharmaceuticals, biopharmaceuticals, chemicals, medical devices, vaccines, and biologics; cloud computing featuring software for use in data processing for remote toxicological safety and quality assurance testing for pharmaceuticals, chemicals, and consumer products; cloud computing featuring software for use in indexing, storage, and searching of information relating to remote laboratory experiment controls, equipment, environment data, and experiment results as well as information relating to computer simulations of laboratory experiments and biological and chemical phenomena and systems; software as a service featuring software for creation and processing of un-structured, semi-structured, and structured information relating to laboratory experiments and computer simulations of laboratory experiments and biological and chemical phenomena and systems; software as a service featuring software for use in developing, executing, monitoring, and managing enterprise resource planning, manufacturing execution systems, and connected factories

FIRST USE 7-19-2017; IN COMMERCE 7-19-2017

THE MARK CONSISTS OF STANDARD CHARACTERS WITHOUT CLAIM TO ANY PARTICULAR FONT STYLE, SIZE OR COLOR

SER. NO. 88-343,411, FILED 03-18-2019

*Andrei Iancu*

Director of the United States  
Patent and Trademark Office

**REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION**

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

**Requirements in the First Ten Years\***

**What and When to File:**

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.\* See 15 U.S.C. §1059.

**Requirements in Successive Ten-Year Periods\***

**What and When to File:**

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.\*

**Grace Period Filings\***

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

**\*ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

**NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.**

**NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.**
