Subject: Fwd: U.S. TRADEMARK APPLICATION NO. 88375596 - PURE - N/A

Ms Riepel,

I am responding to trademark application 88375596 as indicated via the correspondence I forwarded with my response. Below are the cited issues identified:

The name of an individual person appears in the section of the application intended for the trademark owner' s name; however, the legal entity is set forth as a limited liability company. Applicant must clarify this inconsistency.

My apologies for this discrepancy. This application and underlying request is for the limited liability company, registered in Alabama as "SemiAutoArms LLC". Additionally, the requested trademark was intended for the upper/lower case lettering "PuRe" Unfortunately the electronic application process had no way for me to use the desired nomenclature. If the application can proceed as is, regardless of the desired nomenclature, I have no issue with such. However, if there is something additional I need to do, please let me know and I will be glad to do whatever is required.

Thank you
