United States Trademark Application Serial Nos. 88397875, 88397910, 88427741, and 88427754

Dear Mr. Zinna,

I am the assigned trademark examining attorney for the above-referenced applications. The applications will be ready to proceed once applicant agrees to modify the identification of goods and disclaim the wording "HOST" in Serial No. 88427741 and 88427754 . If the changes below are acceptable, I will issue an

examiner's amendment accordingly (changes required are bolded and strikethrough):

Class 9: “ Computer application software for mobile phones, namely, software for social planning, event management, socially rating people, ticketing, location services, **and** in application payments; Downloadable mobile applications for social planning, event management, socially rating people, ticketing, location services, **and** in application payments; Computer application software for mobile phones, namely, software for social planning, event management, socially rating people, ticketing, location services, and for **use with** digital payment systems for **making in** application payments; Computer application software for mobile phones, tablets, desktop computers, laptop computers, namely, software for social networking, ~~also with a focus on~~ event management, social ratings for users, ticketing, location services, picture and video storage”

Please let me know by phone or email if you agree to allow me to correct the above by an examiner's amendment or if you have any questions about the application.

Sincerely,

Christina Calloway
