This email is intended for Michael J. Zinna and/or any authorized party

United States Trademark Application Serial Nos. 88427754, 88397910, and 88397875

Dear Mr. Zinna,

Upon further review, the publication of the above mentioned applications have been withdrawn to address the below issue(s). I apologize for any inconvenience. The applications will be ready to proceed once applicant agrees to modify the identification of goods. If the changes below are acceptable, I will issue an examiner's

amendment accordingly (*changes required are bolded*):

Class 9: **{specify downloadable or recorded}** Computer application software for mobile phones, namely, software for social planning, event management, socially rating people, ticketing, location services, and in application payments; Downloadable mobile applications for social planning, event management, socially rating people, ticketing, location services, and in application payments;

{specify downloadable or recorded} Computer application software for mobile phones, namely, software for social planning, event management, socially rating people, ticketing, location services, and for use with digital payment systems for making in application payments; **{specify downloadable or recorded}** Computer application software for mobile phones, tablets, desktop computers, laptop computers, namely, software for social networking, also with a focus on event management, social ratings for users, ticketing, location services, picture and video storage

Please let me know by phone or email if you agree to allow me to correct the above by an examiner's amendment or if you have any questions about the application.

Sincerely,

Christina Calloway
