CLASS 9: Batteries survival blanket to prevent injury due to hypothermia in the nature of rescue blankets and foam rescue blankets

FIRST USE 00-00-2010; IN COMMERCE 00-00-2010

CLASS 10: Medical and surgical products, equipment, and supplies, namely, medical staff apparel in the nature of surgical scrub tops and pants and patient treatment apparel consisting of surgical gowns, medical procedure gowns, patient exam gowns, medical compression stockings, slipper socks for use by patients, surgical and procedure masks, procedure masks with eye shields, surgical apparel in the nature of shoe covers, head covers, protective sleeves, lab coats, face shields and protective glasses; medical exam and surgical gloves; glove box holders and dispensers designed for medical use; containers for disposal of needle sharps and medical waste; incontinence bed pads and under-pads; ostomy barrier pastes and powders; ostomy appliance deodorant; ostomy barriers; cold and hot compresses, namely, chemically activated instant cold and hot compresses and therapeutic compresses for cold or hot therapy using a non-toxic gel that can be brought to the preferred temperature through freezing or microwaving; sphygmomanometers; stethoscopes; blood pressure cuffs; pulse oximeters; lancets; glucose monitoring systems comprising devices for monitoring blood glucose for medical purposes; lancets; EKG electrodes; wound suction apparatus in the nature of suction connector tubing and suction tubes that act as the pathway from which medical suction devices evacuate and drain fluids and debris during medical and surgical procedures; surgical instruments; ambulatory products, namely, orthopedic walkers, rollators, crutches, medical canes, and accessories and replacement parts thereof; bath safety products designed exclusively for medical patient use, namely, bath benches, bath stools; bath transfer benches, raised toilet seats adapted for medical patients or for use by disabled persons, commode chairs, commode pails for use with commode chairs; toilet safety frames adapted for medical patients or for use by disabled persons; transfer equipment and accessories for patient treatment, namely, patient lifts, patient slings for transporting persons with disabilities, and gait belts; exercise peddlers for therapeutic purposes; IV poles; IV start kits for inserting IVs; respiratory medical apparatus, namely, anesthesia circuits, oropharyngeal airways, laryngeal mask airways, respiratory masks, nasal cannulas, nebulizers, nebulizer filters, humidifiers, tracheostomy care trays, resuscitator masks, mouthpieces, and oxygen tubing; surgical instrument sterilization wraps; sterilization indicator strips and tapes; urological medical apparatus, namely, catheters, catheter trays, urinary leg bags, urinary drain bags, urinary drain bag holders, bedpans; urinals and irrigation trays being vessels for medical purposes; fall prevention monitors for patients; clinical laboratory apparatus for collecting pathology specimens, namely, lab caps and closures, laboratory glassware and plastic ware, tubes, blood collection tubes, microscope slides, pipettes, beakers and bottles, specimen collection and transport containers, blood collection needles; specimen collection devices in the nature of glass slides, cups and bags for the collection of blood, urine and fecal matter; diagnostic test kits comprised of medical diagnostic reagents for testing body fluids, urinalysis controls, clinical analyzers for medical applications, microscopes for surgical operations, and incubators for medical purposes; cryotherapy treatment kits; medical drapes of non-woven textile materials, surgical procedure drapes, and medical

equipment covers for surgical instruments and apparatus; seat cushions for therapeutic purposes; rehabilitative and physical therapy equipment, namely, manually operated exercise bands and hand putty; orthopedic devices for therapeutic use, namely, splints, heel protectors, elbow protectors, casting roll form splints, cast protectors, arm slings, cast tape, ankle walker boots, and foot pads; medical furniture, namely, exam stools, exam tables, recliners, blood drawing chairs, overbed tables, utility carts, and instrument stands; biohazard bags for medical waste; emesis bags; patient belongings bags; tourniquets; speculums; tongue depressors; pill and tablet cutters and crushers; gravity feeding bags; medical syringes; needles for injections; medical syringes with needles sold as a unit; medical measurement tape; medical chart holders; pill envelopes; wound closure devices, namely, sutures, suture removal kits, skin closure strips, skin staple removal kits, skin adhesive, and wound staplers; Compression bandages, abdominal pads, surgical sponges, medical trays in the nature of dressing change trays; medical wound measuring devices; medical thermometers and thermometers sheaths adapted for use with medical thermometers, commode chairs; laundry bags in the nature of bags for medical waste

FIRST USE 00-00-2010; IN COMMERCE 00-00-2010

CLASS 11: Sitz baths; showerheads handheld showerheads

FIRST USE 00-00-2010; IN COMMERCE 00-00-2010

CLASS 12: Wheelchairs

FIRST USE 00-00-2010; IN COMMERCE 00-00-2010

CLASS 16: ECG paper; toilet paper; facial tissue; medical examination table paper; trash bags and liners

FIRST USE 00-00-2010; IN COMMERCE 00-00-2010

CLASS 20: Mattresses, shower grab bars not of metal and bath tub grab bars not of metal

FIRST USE 00-00-2010; IN COMMERCE 00-00-2010

CLASS 21: Toothbrushes

FIRST USE 00-00-2010; IN COMMERCE 00-00-2010

CLASS 22: Laundry bags

FIRST USE 00-00-2010; IN COMMERCE 00-00-2010

CLASS 24: Towels; wool blankets, polyester blankets and cotton blankets for household use, bed sheets, pillowcases, mattress overlays, namely, mattress pads and washcloths

FIRST USE 00-00-2010; IN COMMERCE 00-00-2010

CLASS 39: Distribution services, namely, delivery of pharmaceutical products, medical and surgical supplies, personal care, and health and beauty products

FIRST USE 00-00-2010; IN COMMERCE 00-00-2010

CLASS 42: Providing health information technology and care management tools, namely, online, non-downloadable payment processing software to manage sales transactions, inventory, pricing and promotions at a single pharmacy or across multiple sites; online, non-downloadable software for pharmacy management to track and transfer patient prescriptions, and to compare and analyze store volume, productivity ratios, key performance measures, and profit margins; web-based specialty medication inventory management systems, namely, providing an online non-downloadable

Internet-based system application featuring technology for use by specialty practices which enables users to control inventory management of infusible and injectable specialty drugs; pharmacy management system for prescription processing and claims adjudication, namely, providing online non-downloadable software for management of pharmacy claims and claim processing; providing online, non-downloadable software featuring oncology electronic health records including patient charts, comprehensive point-of-care treatment decision support, and customizable features for integration into existing workflow; providing online, non-downloadable software that enables adherence to nationally recognized clinical guidelines for use in the field of medicine, healthcare, clinical trials and pharmacy management; and providing online, non-downloadable communications software for providing secure communications between healthcare providers and patient

FIRST USE 00-00-2010; IN COMMERCE 00-00-2010

The color(s) blue and orange is/are claimed as a feature of the mark.

The mark consists of the wording "McKesson" depicted in the color blue, with an orange line under the letter "c".

SER. NO. 88-411,765, FILED 05-01-2019

**REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION**

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

**Requirements in the First Ten Years\***

**What and When to File:**

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.\* See 15 U.S.C. §1059.

**Requirements in Successive Ten-Year Periods\***

**What and When to File:**

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.\*

**Grace Period Filings\***

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

**\*ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

**NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.**

**NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.**
