Ms. Rzonca:

The above application has been reassigned to me for review.

Upon further consideration, the Section 2(e)(1) refusal is withdrawn. The disclaimer of "TWILL" is accepted and that requirement is satisfied.

In addition to the above, the applicant must indicate in the identification that the fabric is "twill" to avoid any issues of deceptiveness. An acceptable amendment would be as follows, if accurate:

Twill fabrics for the manufacture of apparel in Class 24

This issue may be resolved by Examiner's Amendment. You may respond to the email or call me at the telephone number below.

Thank you.
