United States Trademark Application Serial No. 88441975

Dear Mr. O'Malley,

I am the assigned trademark examining attorney for the above-referenced application. The

application will be ready to proceed once applicant agrees to modify the identification of goods and services. If the changes below are acceptable, I will issue an examiner's amendment accordingly (changes required are bolded or strikethrough):

Class 9: Downloadable software in the nature of a mobile **and** desktop application for electronic trading, investment portfolio management, financial analysis, and financial risk modeling software for consumers; downloadable software in the nature of a mobile **and** desktop game software application for electronic trading, investment portfolio management, financial analysis, and financial risk modeling

Class 41: Providing on-line, non-downloadable software for electronic trading, investment portfolio management, financial analysis, and financial risk modeling; providing on-line, non-downloadable game software for electronic trading ~~software~~, investment portfolio management, financial analysis, and financial risk modeling

Please let me know by phone or email if you agree to allow me to correct the above by an examiner's amendment or if you have any questions about the application.

Sincerely,

Christina Calloway
