The color(s) white, golden yellow, aqua blue, emerald green, black is/are claimed as a feature of the mark.

The mark consists of the word "SHAPES" in capitalized bubble letters, with a black outline. The two "S" letters are white with emerald green lines curving inside the bubble letters in the shape of an "S". Light golden yellow highlights are included at the base of the "S" for each of the two and on the outside upper curve and inside lower curve of the first "S". The "H" and "E" have an emerald green interior overlaid with white and golden yellow intersecting lines and simulated light effects, making the two letters appear to glow. The "A" and "P" have an aqua blue interior, which is lighter and overlaid with golden yellow on the left side of the "A" and the right side of the "P". The right side of the "A" and the left side of the "P" have a darker aqua blue shadow. Both "A" and "P" contain dark aqua blue squiggles at the top of the bubble letters, which appear to be bumps rising off the letters. Additionally, both "A" and "P" have small protuberances stretching out from the top of the letters.

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.

NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.
