Mr. Dunning:

I have reviewed the applicant's response and will accept the Section 2(f) claim based on the prior regs. However, the applicant should also make a separate claim of ownership of those prior registrations for the record. This is the only remaining issue in both applications.

The following is acceptable, if accurate:

**Applicant is the owner of U.S. Regs. 4376750, 4459489, 5372629 and others**

This issue may be resolved by Examiner's Amendment. You may respond to the email or call me at the telephone number below.

Thank you.
