Hello, my name is Tim Schimpf and I am an examining attorney with the U.S. Patent and Trademark Office. I am reviewing the trademark application for SCORE, Serial No. 88581243. There is one issue I'd like to

discuss with you about the application that can be resolved with applicant' s agreement.

Identification of Services: The wording of the identification needs to be amended because the term “ supplies ” needs to be clarified. I suggest amending the identification to:

“ Wholesale and retail store services featuring medical equipment and durable medical equipment and **medical** supplies; Wholesale distributorships featuring medical equipment” in International Class 35.

Please respond as whether applicant agrees to these amendments. If applicant agrees, I can make the amendments through an examiner' s amendment and approve the application for publication.

If you would prefer, I would be happy to discuss this over the telephone at the number listed below. If you have any questions, please let me know.
