Subject: RE: Re: Application Serial No. 88798813 [1611/2118]

Good afternoon.

Thank you for your response.

I have just slightly amended to make the entry more concise. See below. If you agree I will send an Examiner's amendment.

Class 9: Downloadable **and recorded** computer software for use in operation of blood and blood plasma processing equipment

Sincerely,

Christina Calloway

Hi Christina,

Thanks for your email re: PERSONA. Can we adopt both and move forward with:

Downloadable computer software computer software for use in operation of blood and blood plasma processing equipment; recorded computer software for use in operation of blood and blood plasma processing equipment, in Class 9

Thanks,

Steve

This email is intended for Steven A. Abreu and/or any authorized party

United States Trademark Application Serial No. 88798813

Dear Mr. Abreu,

I am the assigned trademark examining attorney for the above-referenced application. The application will be ready to proceed once applicant agrees to modify the identification of goods in International Class 9 If the changes below are acceptable, I will issue an examiner's amendment accordingly (changes required are bolded):

Class 9: **{specify downloadable or recorded}** computer software for use in operation of blood and blood plasma processing equipment

Please let me know by phone or email if you agree to allow me to correct the above by an examiner's amendment or if you have any questions about the application

Sincerely,

Christina Calloway
