

# United States of America

## United States Patent and Trademark Office

**Reg. No. 6,029,360**

**Registered Apr. 07, 2020**

**Int. Cl.: 35, 39, 45**

**Service Mark**

**Principal Register**

PINC Solutions (CALIFORNIA CORPORATION)  
32980 Alvarado-niles Rd., Suite 820  
Union City, CALIFORNIA 94587

CLASS 35: Drone-based logistics and supply chain services for transportation, warehouse and yard management, finished vehicles, inventory robotics logistics, robots and robotic logistic services, and artificial intelligence logistic services, namely, warehouse and logistics management in the nature of outsource service provider in the field of business operations and management of storage facilities, holding facilities, distribution centers, warehouse facilities, trailer yards, rail yards or ports; Drone-based logistics and supply chain services for freight logistics management and transportation logistics services in the nature of arranging the transportation of goods for others, transportation logistics services in the nature of planning, tracking and scheduling shipments and deliveries for users of transportation services; Drone-based logistics and supply chain services, namely, data collection and management in the nature of data collecting, compiling and analyzing relating to business operations and management of storage facilities, holding facilities, distribution centers, warehouse facilities, trailer yards, rail yards or ports; Supply chain management services; Business management services, namely, business management services relating to logistics, reverse logistics, supply chain services, supply chain visibility and synchronization, supply and demand forecasting and product distribution processes for others; Logistics management in the field of warehouse management, yard management, finished vehicles, and inventory; Drone-based logistics and supply chain services for transportation, warehouse and yard management, finished vehicles, inventory robotics logistics, robots and robotic logistic services, and artificial intelligence logistic services, namely, supply chain logistic management in the nature of planning, tracking and scheduling the warehouse storage of shipments and deliveries at a warehouses, storage facilities, and holding facilities

FIRST USE 11-1-2014; IN COMMERCE 11-14-2014

CLASS 39: Drone-based logistics and supply chain services for transportation, warehouse and yard management, finished vehicles, inventory robotics logistics, robots and robotic logistic services, and artificial intelligence logistic services, namely, transport and delivery of goods; Drone-based logistics and supply chain services, namely, supply chain logistics and reverse logistics services in the nature of storage, transportation, and delivery of goods for others by air, rail, ship or truck

FIRST USE 11-1-2014; IN COMMERCE 11-14-2014

CLASS 45: Drone-based security services for logistics and supply chain services including transportation, warehouse and yard management, finished vehicles and inventory robotics logistics, namely, security guard services and drone-based security guarding for facilities to prevent theft and shrinkage, providing security surveillance of premises for others using drones and unmanned vehicles; Drone-based logistics and supply chain services for transportation, warehouse and yard management, finished vehicles, inventory robotics logistics, robots and robotic logistic services, and artificial intelligence logistic services, namely, warehouse monitoring for security purposes

*Andrei Iancu*

Director of the United States  
Patent and Trademark Office

FIRST USE 11-1-2014; IN COMMERCE 11-14-2014

The mark consists of letters "PINC" in stylized font where the letter "P" appears inside of a square with two concentric chevron shapes extending from the upper left corner of the square to the left of a vertical line followed by the word "AIR" in stylized font.

No claim is made to the exclusive right to use the following apart from the mark as shown:  
"AIR"

SER. NO. 88-975,334, FILED 07-24-2018

**REQUIREMENTS TO MAINTAIN YOUR FEDERAL TRADEMARK REGISTRATION**

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

**Requirements in the First Ten Years\***

**What and When to File:**

- **First Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.
- **Second Filing Deadline:** You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between the 9th and 10th years after the registration date.\* See 15 U.S.C. §1059.

**Requirements in Successive Ten-Year Periods\***

**What and When to File:**

- You must file a Declaration of Use (or Excusable Nonuse) and an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.\*

**Grace Period Filings\***

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

**\*ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the United States Patent and Trademark Office (USPTO). The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

**NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.**

**NOTE: A courtesy e-mail reminder of USPTO maintenance filing deadlines will be sent to trademark owners/holders who authorize e-mail communication and maintain a current e-mail address with the USPTO. To ensure that e-mail is authorized and your address is current, please use the Trademark Electronic Application System (TEAS) Correspondence Address and Change of Owner Address Forms available at <http://www.uspto.gov>.**
