Subject: Proposed Amendments for Trademark Applications 90248260 (BILLS MAFIA) and 90248264 (BILLS MAFIA)

Dear Attorney Jonathan Brown,

I have reviewed the responses you submitted for these cases. We just need to make a slight adjustment to the identification of goods in Class 10 as follows.

Class 10: Cloth face coverings used for health reasons, **namely, sanitary masks for protection against viral infection**

With your approval, I can make this change via an examiner's amendment and move the case forward.
