Hi Trey,

Thanks for letting me know! Given that information we will require a disclaimer for the wording "OUD" and "DUBAI" as they are descriptive of applicant's goods. The suggested disclaimer would read as follows:

**No claim is made to the exclusive right to use "OUD" and "DUBAI" apart from the mark as shown.**

Please let me know by close of business on **November 23, 2021**, if you approve of my disclaimer requirement as described. If you agree, I can make the change for you via Examiner's Amendment, and the application may proceed toward registration. If I don't hear from you, I will issue an Office Action.

Best,

Justin Wickersham

Dear Van Parham:

I am the examining attorney at the U.S. Patent and Trademark Office assigned to U.S. Trademark Application No. 90623013. I have reviewed your client's application for OH HAUTE OUD DUBAI, and there is one issue that needs to be clarified.

Geographic Origin of Goods - Clarification

-

My research has shown that the primary significance of the term DUBAI in the applied-for mark is a geographic location that refers to the [emirate](#) in the United Arab Emirates. Additionally, the current record is unclear as to where the goods originate (whether in the United States, Dubai, or elsewhere). In order to proceed with the examination of this application, I need clarification on whether the goods originate in Dubai or elsewhere. Please let me know by close of business on **November 22, 2021**, and I can proceed with the examination.

Thanks ,

Justin Wickersham
