Hi Robert,

Thanks for your response to my Office action. The only outstanding issue is the identification of goods. It looks like the wording I suggested deleting was not removed.

With your authorization, I can make the remaining suggested changes for you by examiner's amendment:

Aerosol dispensers for medical use sold filled with herbal supplements, plant based nutraceuticals for use as a dietary supplement, vitamins and **minerals** mineral supplements, **including** menthol for pharmaceutical purposes, lidocaine, camphor for medical purposes and eucalyptus for pharmaceutical purposes; Anti-inflammatory sprays; Dietary supplements for human beings and animals; Dietary supplements for humans and animals; Dietary and nutritional supplements for sleep, altitude sickness, energy, mood, pain relief, anxiety and weight loss; Herbal supplements; Herbal supplements for sleeping problems; Herbal supplements for sleep, altitude sickness, energy, mood, pain relief, anxiety and weight loss; Mineral supplements; Nutraceuticals for use as a dietary supplement; Nutritional supplements; Sexual stimulant sprays; Therapeutic spray to soothe and relax the muscles; Vitamin supplements

Please let me know if I may make these changes.

Thanks,

April

April,

This was the issue I was having. I did contact support, but I must have missed something.

We DO NOT wish to change anything as it relates to use and filing.

Our intent was to only change the statements as per your suggestions/recommendations, which we adopted and provide our new address to address the domicile request.

Everything else should remain the same.

Robert Matuszewski

The application currently has an intent-to-use filing basis under Section 1(b). To amend the filing basis to a use-in-commerce basis under Section 1(a) at this stage of the application process, you would need to file an Amendment to Allege Use. Please see the first form listed here: <https://www.uspto.gov/trademarks/apply/intent-use-itu-forms>. Please note that unlike a response to Office action, there is a fee for filing an Amendment to Allege Use.

Please let me know if you have any other questions.

Thanks,

Dear Ms. Reeves,

I recently submitted my reply to the Outgoing Office Action (attached herein/Below).

I had a bit of trouble getting through the Classification of Goods as USED in commerce versus NOT USED in commerce yet. Not certain if I addressed the response correctly. I continued to get error messages. The product however is now used in commerce.

Please see attached - Office Action Response (PDF).

We accept your recommendations and suggestions as provided within your outgoing action.

Other than that, we needed to provide proof of domicile address. We included the actual address for the business as well as copies of utility bills to verify and confirm the address. (Also attached herein)

I believe this covers everything you requested.

Thank you.
