Re: U.S. Trademark Application Serial No. 97177046 for the Mark FIREWORKS

Dear Mr. Tepper:

Thank you for the Response to Office Action filed on March 22, 2023, in the subject application. This application should be in condition to proceed subject to the applicant's adoption of the further amended identification of goods and services proposed below, to clarify the software function. If the applicant accepts the proposed amendment, I will issue an examiner's amendment accordingly:

IC 009: Downloadable software for conducting ~~use in relation to~~ medical and veterinary diagnostics;
Recorded and downloadable computer software for use in relation to medical and veterinary diagnostics

IC 042: Software as a service (SAAS) services featuring software for conducting ~~use in relation to~~ medical and veterinary diagnostics

Suggested additions are underscored; suggested deletions are stricken. If the suggested function is not accurate, kindly clarify the software function(s) as, for example, analyzing, marketing and/or scheduling medical and veterinary diagnostics.

Please let me know by phone or email whether the applicant accepts the amendment proposed above via examiner's amendment, or if you have any question about the subject application.

Sincerely,

Betty Chang
