EXTERNAL SENDER

Dear Mr. Fernandez,

I have reviewed the Response to Office Action, and there is one small issue that can be corrected without the need for a Final Office Action. I mistakenly included the wording “featuring” in my proposed amendment in Class 41 (“entertainment services, namely, providing on-line, nondownloadable virtual featuring footwear, clothing, bags, clothing accessories and charms for decorating footwear, clothing, bags and clothing accessories”), which is unclear. Similarly, for the sake of clarity, the purpose of applicant’s goods also is required.

Class 41: entertainment services, namely, providing on-line, nondownloadable virtual footwear, clothing, clothing accessories and charms for decorating footwear, clothing, bags and clothing accessories, authenticated by digital tokens in the nature of non-fungible tokens (NFTs) for use in virtual environments created for entertainment purposes; entertainment services, namely, providing on-line, nondownloadable virtual featuring footwear, clothing, bags, clothing accessories and charms for decorating footwear, clothing, bags and clothing

accessories **for use in virtual environments created for entertainment purposes**

Please let me know by close of business on May 10, 2023, if you approve of my amending the ID as described. If you agree, I can make the change for you via Examiner's Amendment, and the application may proceed toward registration. If I don't hear from you, I will issue a Final Office Action.

I sincerely apologize for the oversight! Hopefully, this is the last issue with this application!

Best regards,

/Rachel Arrison/
