Subject: USPTO Trademark Application: 97770468 CERENIA

Good Afternoon Ms. Ungaro,

I am reviewing the above referenced application for your client, Zoetis Services LLC. In review of this application there is one issue that can be corrected without the need for an office action.

We require an amended description of the mark for completion and clarity. The suggested description of the mark would read, with suggested changes underlined:

The mark consists of the stylized purple wording "CERENIA" with a capitalized 'C' in stylized letters, and 5 green circles that comprise the dot of the "I" arching out over the "A".

Please let me know if you would approve of my amending the mark description as described.

Please respond no later than 2 PM EST on Tuesday, October 3, 2023.

If you have any questions, comments, or concerns please feel free to call or e-mail me using the information provided in my signature block below. Thank you.

Respectfully,

/Katherine Ferrell/
