United States Trademark Application Serial No. 97/810317 P [Docket Number: DLL]

Dear Yifei Zou,

I am the assigned trademark examining attorney for the above-referenced application. The application will be ready to proceed once applicant agrees to clarify the mark description. If the changes below are acceptable, I will issue an examiner's amendment accordingly:

**Amended Description of Mark**

The following description of the mark replaces the current description of record:

**The mark consists of a stylized letter "P" formed by a ribbon that wraps behind it. All placed over a shaded square.**

See 37 C.F.R. §§2.37, 2.72; TMEP §§808 *et seq.*

Please let me know by phone or email, by Thursday November 30<sup>th</sup>, if you agree to allow me to correct the above by an examiner's amendment or if you have any questions about the application.

Best,

Sahar
