Dear Mr. Nelson,

I am the examining attorney at the U.S. Patent and Trademark Office assigned to U.S. Trademark Application No. 97921269. I have reviewed the application, and there is one small issue that can be corrected without the need for an Office Action.

## Disclaimer Requirement

The wording "SOCK SHOES" in the mark must be disclaimed because it is descriptive of applicant's goods. A disclaimer is a statement in the application record that an applicant does not claim exclusive rights to an unregistrable component of the mark. A disclaimer does NOT physically remove the disclaimed matter from the mark or otherwise affect the appearance of the mark.

The suggested disclaimer would read as follows:

**"No claim is made to the exclusive right to use "SOCK SHOES" apart from the mark as shown."**

Please let me know by close of business on Thursday, July 13 if you approve of my suggestion as described via response to this email. If you agree, I can make the change for you via Examiner's Amendment, and the application may proceed toward registration. If I don't hear from you, I will issue an Office Action.

Best regards,

/Amit K. Shoor/ (he/him)
