W I T N E S S E T H :

WHEREAS, pursuant to the Credit Agreement, dated as of May 20, 1994 (as amended, supplemented or otherwise modified prior to May 31, 1995, the "Original Credit Agreement"), among the Company, The Chase Manhattan Bank (formerly known as Chemical Bank), as agent (in such capacity, the "Original Agent") for the several banks and other financial institutions from time to time parties thereto (the "Original Lenders") and the Original Lenders, the Original Lenders made certain loans and other extensions of credit to the Company;

WHEREAS, in connection with the execution and delivery of the Original Credit Agreement, the Company executed and delivered to the Original Agent, for the benefit of the Original Lenders, the Borrower Patent and Trademark Security Agreement, dated as of May 20, 1994 (as amended, supplemented or otherwise modified prior to May 31, 1995, the "Original Patent and Trademark Security Agreement"), pursuant to which the Company pledged to the Original Agent, for the benefit of the Original Lenders, all of the Collateral (as defined in the Original Patent and Trademark Security Agreement) as collateral security for the Obligations (as defined in the Original Patent and Trademark Security Agreement);

WHEREAS, the Company, the Original Agent and the Original Lenders agreed to restructure the obligations of the Company under the Original Credit Agreement by means of, among other things, the execution and delivery of the Master Restructuring Agreement, dated as of May 31, 1995 (as heretofore amended, supplemented or otherwise modified, the "Existing MRA"), among the Company, the Original Agent and the Original Lenders, among others;

WHEREAS, in connection with the execution and the delivery of the Existing MRA, the Company executed and delivered (a) the Term Loan Agreement, dated as of May 31, 1995 (as heretofore amended, supplemented or otherwise modified, the "Term Loan Agreement"), among the Company, The Chase Manhattan Bank (formerly known as Chemical

Bank), as agent (in such capacity, the "Term Loan Agent") for the several banks and other financial institutions from time to time parties thereto (the "Term Loan Lenders") and the Term Loan Lenders and (b) the Note Agreement, dated as of May 31, 1995 (as heretofore amended, supplemented or otherwise modified, the "Note Agreement" and, together with the Term Loan Agreement, collectively, the "Existing Agreements"), among the Company, The Chase Manhattan Bank (formerly known as Chemical Bank), as agent (in such capacity and also in its capacity as the Term Loan Agent, the "Agent") for the several banks and other financial institutions from time to time parties thereto (the "Note Lenders" and, together with the Term Loan Lenders, collectively, the "Lenders") and the Note Lenders, pursuant to which the Lenders made certain loans to the Company;

WHEREAS, in connection with the execution and delivery of the Existing MRA and the Existing Agreements, the Company executed and delivered to the Agent, for the benefit of the Lenders, Amendment No. 1 to the Borrower Patent and Trademark Security Agreement, dated as of May 31, 1995 (the Original Patent and Trademark Security Agreement as amended, supplemented or otherwise modified by such Amendment No. 1, the "Existing Patent and Trademark Security Agreement"), pursuant to which the Company granted to the Agent, for the benefit of the Lenders, a security interest in all of the Collateral (as defined in the Existing Patent and Trademark Security Agreement) as collateral security for the Obligations (as defined in the Existing Patent and Trademark Security Agreement);

WHEREAS, the Company, the Agent and the Lenders have agreed to restructure the obligations of the Company under the Existing Agreements by means of, among other things, the execution and delivery of the Indenture and the Master Restructuring Agreement, dated as of even date herewith (as amended, supplemented or otherwise modified from time to time, the "MRA"), among the Company, the Agent and the Lenders, among others; and

4. Trustee's Appointment as Attorney-in-Fact.

(a) Powers. The Company hereby irrevocably constitutes and appoints the Trustee and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of the Company and in the name of the Company or in its own name, from time to time in the Trustee's discretion, for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Agreement, and, without limiting the generality of the foregoing, the Company hereby gives the Trustee the power and right, on behalf of the Company, without notice to or assent by the Company, to do the following:

(i) to execute and deliver any and all agreements, instruments, documents, and papers as the Trustee may reasonably request to evidence the Trustee's and the Holders' security interest in any of the Collateral;

(ii) in the name of the Company or its own name, or otherwise, to take possession of and indorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under any General Intangible (to the extent that any of the foregoing constitute Collateral) or with respect to any other Collateral and to file any claim or to take any other action or institute any proceeding in any court of law or equity or otherwise deemed appropriate by the Trustee for the purpose of collecting any and all such moneys due under any such General Intangible or with respect to any such other Collateral whenever payable;

(iii) to pay or discharge Liens placed on the Collateral, other than Liens permitted under this Agreement or Permitted Liens; and

(iv) (A) to direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to the Trustee or as the Trustee shall direct; (B) to ask for, or demand, collect, receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any of the Collateral; (C) to sign and indorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral; (D) to commence and prosecute any applications, suits, actions or proceedings at law or in equity in any court of competent jurisdiction or in the United States Patent and Trademark Office to collect the Collateral or any thereof and to enforce any other right in respect of any Collateral; (E) to defend any suit, action or proceeding brought against the Company with respect to any of the Collateral; (F) to settle, compromise or adjust any suit, action or proceeding described in clause (E) above and, in connection therewith, to give such discharges or releases as the Trustee may deem appropriate; (G) subject to any pre-existing rights or licenses, to assign any Patent or Trademark constituting Collateral (along with the goodwill of the business to which any such Trademark pertains), for such term or terms, on such conditions, and in such manner, as the Trustee shall in its sole discretion determine; and (H) generally, to sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Trustee were the absolute owner thereof for all purposes, and to do, at the Trustee's option and the Company's expense, at any time, or from time to time, all acts and things which the Trustee deems necessary to protect, preserve or realize upon the Collateral and the Trustee's and the Holders' Liens thereon and to effect the intent of this Agreement, all as fully and effectively as the Company might do.

The Company hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. This power of attorney is a power coupled with an interest and shall be irrevocable until payment in full of the Securities and the other Obligations then due and owing.

(c) No Duty on the Part of Trustee or Holders. The powers conferred on the Trustee and the Holders hereunder are solely to protect the Trustee's and the Holders' interests in the Collateral and shall not impose any duty upon the Trustee or any Holder to exercise any such powers. The Trustee and the Holders shall be accountable only for amounts that they actually receive as a result of the exercise of such powers, and neither they nor any of their officers, directors, employees or agents shall be responsible to the Company for any act or failure to act hereunder, except for their own gross negligence or willful misconduct.

5. Performance by Trustee of Company's Obligations. If the Company fails to perform or comply with any of its agreements contained herein and the Trustee, as provided for by the terms of this Agreement, shall itself perform or comply, or otherwise cause performance or compliance, with such agreement, the reasonable expenses of the Trustee incurred in connection with such performance or compliance, together with interest thereon at a rate per annum equal to 12%, shall be payable by the Company to the Trustee on demand and shall constitute Obligations secured hereby.

6. Proceeds. It is agreed that if an Event of Default shall occur and be continuing, (a) all Proceeds of any Collateral received by the Company consisting of cash, checks and other near-cash items shall be held by the Company in trust for the Trustee and the Holders, segregated from other funds of the Company, and at the request of the Trustee shall, forthwith upon receipt by the Company, be turned over to the Trustee in the exact form received by the Company (duly indorsed by the Company to the Trustee, if required by the Trustee), and (b) any and all such Proceeds received by the Trustee (whether from the Company or otherwise) may, in the sole discretion of the Trustee, be held by the Trustee, for the ratable benefit of the Holders, as collateral security for the Obligations (whether matured or unmatured), and/or then or at any time thereafter may be applied by the Trustee against, the Obligations then due and owing. Any balance of such Proceeds remaining after the payment in full of the Securities and any other Obligations then due and owing shall be paid over to the Company or to whomsoever may be lawfully entitled to receive the same.

7. Remedies. If an Event of Default shall occur and be continuing, the Trustee, on behalf of the Holders, may exercise all rights and remedies of a secured party under the Code, and, to the extent permitted by law, all other rights and remedies granted to them in this Agreement and in any other instrument or agreement securing, evidencing or relating to the Obligations. Without limiting the generality of the foregoing, the Trustee, without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below) to or upon the Company or any other Person (all and each of which demands, defenses, advertisements and notices are hereby waived), may in such circumstances, to the extent permitted by law, forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, and/or may forthwith sell, lease, assign, give option or options to purchase, or otherwise dispose of and deliver the Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or private sale or sales, at any exchange, broker's board or office of the Trustee or elsewhere upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk. The Trustee or any Holder shall have the right, to the extent permitted by law, upon any such sale or sales, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in the Company, which right or equity is hereby waived or released. The Company further agrees, at the Trustee's request, upon the occurrence and during the continuance of an Event of Default, to assemble the Collateral and make it available to the Trustee at places which the Trustee shall reasonably select, whether at the Company's premises or elsewhere. In the event of any sale, assignment, or other disposition of any of the Collateral, the goodwill of the business connected with and symbolized by any Trademark Collateral subject to such disposition shall

be included, and the Company shall supply to the Trustee or its designee the Company's know-how and expertise relating to the Collateral subject to such disposition, and the Company's notebooks, studies, reports, records, documents and things embodying the same or relating to the inventions, processes or ideas covered by, and to the manufacture of any products under or in connection with, the Collateral subject to such disposition, and the Company's customer's lists, studies and surveys and other records and documents relating to the distribution, marketing, advertising and sale of products relating to the Collateral subject to such disposition. The Trustee shall apply the net proceeds of any such collection, recovery, receipt, appropriation, realization or sale, after deducting all reasonable costs and expenses of every kind incurred therein or incidental to the care or safekeeping of any of the Collateral or in any way relating to the Collateral or the rights of the Trustee and the Holders hereunder, including, without limitation, reasonable attorneys' fees and disbursements, to the payment in whole or in part of the Obligations then due and owing, and only after such application and after the payment by the Trustee of any other amount required by any provision of law, including, without limitation, Section 9-504(1)(c) of the Code, need the Trustee account for the surplus, if any, to the Company. To the extent permitted by applicable law, the Company waives all claims, damages and demands it may acquire against the Trustee or any Holder arising out of the repossession, retention or sale of the Collateral, other than any such claims, damages and demands that may arise from the gross negligence or willful misconduct of any of them. If any notice of a proposed sale or other disposition of Collateral shall be required by law, such notice shall be deemed reasonable and proper if given at least ten (10) days before such sale or other disposition. The Company shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to pay the then outstanding Obligations, including the reasonable fees and disbursements of any attorneys employed by the Trustee or any Holder to collect such deficiency.

8. Limitation on Duties Regarding Preservation of Collateral. The Trustee's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9-207 of the Code or otherwise, shall be to deal with it in the same manner as the Trustee deals with similar property for its own account. None of the Trustee, any Holder, nor any of their respective directors, officers, employees or agents shall be liable for failure to demand, collect or realize upon all or any part of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of the Company or any other Person.

9. Powers Coupled with an Interest. All authorizations and agencies herein contained with respect to the Collateral are powers coupled with an interest and are irrevocable until payment in full of the Securities and any other Obligations then due and owing.

10. Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

11. Section Headings. The Section headings used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

12. No Waiver; Cumulative Remedies. None of the Trustee nor any Holder shall by any act (except pursuant to Section 13 hereof), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default or in any breach of any of the terms and conditions hereof. No failure to exercise, nor any delay in exercising, on the part of the Trustee or any Holder, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by the Trustee or any Holder of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which the Trustee or such Holder would otherwise have on any future occasion. The rights and remedies herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any rights or remedies provided by law.

13. Amendments in Writing; Successors and Assigns. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except in accordance with Article IX of the Indenture. This Agreement shall be binding upon the successors and assigns of the Company and shall inure to the benefit of the Trustee and the Holders and their respective successors and assigns, except that the Company may not assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Trustee.

14. Notices. All notices, requests and demands to or upon the respective parties hereto shall be made in accordance with Section 12.2 of the Indenture.

15. Authority of Trustee. The Company acknowledges that the rights and responsibilities of the Trustee under this Agreement with respect to any action taken by the Trustee or the exercise or non-exercise by the Trustee of any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Agreement shall, as among the Trustee and the Holders, be governed by the Indenture and by such other agreements with respect thereto as may exist from time to time among them, but, as between the Trustee and the Company, the Trustee shall be conclusively presumed to be acting as trustee for the Holders with full and valid authority so to act or refrain from acting, and the Company shall not be under any obligation to make any inquiry respecting such authority.

16. GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO THE PRINCIPLES OF CONFLICT OF LAWS THEREOF.

17. Release of Collateral and Termination. (a) At such time as the payment in full of the Securities and other Obligations then due and owing shall have occurred, the Collateral shall be released from the Liens created hereby, and this Agreement and all obligations (other than those expressly stated to survive such termination) of the Trustee and the Company hereunder shall terminate, all without delivery of any instrument or performance of any act by any party, and all rights to the Collateral shall revert to the Company unless such reversion would be inconsistent with the Subordination Agreement. Upon request of the Company following any such termination, the Trustee shall deliver (at the sole cost and expense of the Company) to the Company any Collateral held by the Trustee hereunder, and execute and deliver (at the sole cost and expense of such Company) to the Company such documents as the Company shall reasonably request to evidence such termination.

(b) If any of the Collateral shall be sold, transferred or otherwise disposed of by the Company in a transaction permitted by the Indenture and the Bank Credit Agreement, then the Trustee shall execute and deliver to the Company (at the sole cost and expense of the Company) all releases or other documents reasonably necessary or desirable for the release of the Liens created hereby on such Collateral.

18. Subordination. Each of the Company and the Trustee (for itself in that capacity and on behalf of the Holders) acknowledge that the security interests in the Collateral granted, confirmed and/or reaffirmed pursuant to this Agreement or otherwise held by the Trustee or any Holder are subordinated in priority to the security interests in the Collateral held by the holder of the Senior Indebtedness as provided in, and the rights (including the right to payment) and remedies of the Trustee hereunder and of the Holders, are subordinated and subject to the terms and provisions of, the Subordination Agreement.

19. Inconsistent Provisions. In the event of any inconsistency or conflict between the provisions of this Agreement and the provisions of the Company Security Agreement, the provisions of the Company Security Agreement shall govern.

20. Counterparts. This Amendment may be executed by the parties hereto in any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument.

21. Incorporation of Certain Indenture Provisions. All provisions of Article VII of the Indenture shall be construed as extending to and including all of the rights, duties and obligations imposed upon the Trustee under this Agreement as fully and for all purposes as if said Article VII were contained in this Agreement.

IN WITNESS WHEREOF, the Company has caused this Agreement to be duly executed and delivered as of the date first above written.
