Hook Group, LLC, a limited liability company of the State of New York having a mailing address at 70 West 40th Street, New York, New York 10018 ("Borrower") and COMMERCIAL BANK OF NEW YORK having a mailing address at 320 Park Avenue, New York, New York 10022 ("Lender").

BACKGROUND

Borrower and Lender have entered into various financing agreements of even date herewith (as amended, modified, restated or supplemented from time to time, the "Loan Agreement") providing for loans and advances by Lender to Borrower. In order to induce Lender to execute and deliver the Loan Agreement, Borrower agreed to execute and deliver to Lender this Trademark Collateral Security Agreement (as amended, modified, restated or supplemented from time to time, the "Security Agreement"). This Security Agreement, covering Trademarks (as hereinafter defined), is being executed contemporaneously with the General Security Agreement under which Lender has been granted a lien on and security interest in, inter alia, machinery, equipment formulations, manufacturing procedures, quality control procedures and product specifications ("Other Assets") relating to products sold under the Trademarks, whereby Lender shall have the right to foreclose simultaneously on the Trademarks and the Other Assets in the event of the occurrence and continuance of a default hereunder or an Event of Default under the Loan Agreement.

including the registrations and applications appurtenant thereto, listed in Schedule A hereto (as the same may be amended pursuant hereto from time to time), and in and to any and all trademarks, and registrations and applications appurtenant thereto, hereafter acquired or filed by Borrower, including without limitation all renewals thereof, all proceeds of infringement suits, the rights to sue for past, present and future infringements and all rights corresponding thereto in the United States [and any foreign country] and the goodwill of the business to which each of the Trademarks relates and (b) all of Borrower's right, title and interest in, to and under the following:

(c) To the best of Borrower's knowledge, there is no outstanding claim that the use of any of the Trademarks violates the rights of any third person;

(d) Borrower is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each of the Trademarks, free and clear of any liens, charges and encumbrances, (including without limitation pledges, assignments, licenses, registered user agreements and covenants by Borrower not to sue third persons), except for the Licenses referred to in Schedule I attached hereto;

(e) Borrower has the right to enter into this Security Agreement and perform its terms;

(f) Borrower has used, and will continue to use for the duration of this Security Agreement, proper statutory notice, where appropriate, in connection with its use of the Trademarks; and

(g) Borrower has used, and will continue to use for the duration of this Security Agreement, consistent standards of quality in its manufacture of products sold under the Trademarks.

4. Right of Inspection. Borrower hereby grants to Lender and its employees and agents the right to visit Borrower's plants and facilities which manufacture, inspect or store products sold under any of the Trademarks, and to inspect the products and quality control relating thereto at reasonable times during regular business hours. Borrower shall use its best efforts to do any and all acts required by Lender to ensure Borrower's compliance with paragraph 3(g) above.

5. New Trademarks. (a) If, before the Obligations shall have been paid in full, Borrower shall obtain rights to any new trademarks, the provisions of paragraph 2 shall automatically apply thereto and Borrower shall give Lender prompt written notice thereof. (b) Borrower grants Lender a power-of-attorney, irrevocable so long as the Loan Agreement is in existence, to modify this Security Agreement by amending Schedule A to include any future trademarks, including trademark registrations or applications appurtenant thereto covered by this Security Agreement.

6. Covenants. Borrower covenants and agrees with Lender that from and after the date of this Security Agreement and until the Obligations are fully satisfied:

(a) Further Documentation; Pledge of Instruments. At any time and from time to time, upon the written request of Lender, Borrower will promptly and duly execute and deliver any and all such further instruments and documents and take such further action as Lender may reasonably deem desirable in obtaining the full benefits of this Security Agreement and of the rights and powers herein granted, including, without limitation, the filing of any financing or continuation statements under the Code with respect to the liens and security interests granted hereby. Borrower also hereby authorizes Lender to file any such financing or continuation statement without the signature of Borrower to the extent permitted by applicable law. If any amount payable under or in connection with any of the Collateral shall be or become evidenced by any promissory note or other instrument, such note or instrument shall be immediately pledged to Lender hereunder, duly endorsed in a manner satisfactory to Lender.

(b) Maintenance of Trademarks. Borrower will not do any act, or omit to do any act, whereby the Trademarks or any registration or application appurtenant thereto, may become abandoned, invalidated, unenforceable, avoided, avoidable, or will otherwise diminish in value, and shall promptly notify Lender if it knows of any reason or has reason to know of any ground under which this result may occur. Borrower shall take appropriate action at its expense to attempt to halt the infringement of the Trademarks and shall properly exercise its duty to control the nature and quality of the goods offered by any licensees in connection with the Licenses set forth in Schedule I.

(c) Indemnification. (A) Borrower assumes all responsibility and

liability arising from the use of the Trademarks, and Borrower hereby indemnifies and holds Lender harmless from and against any claim, suit, loss, damage or expense (including reasonable attorneys' fees) arising out of Borrower's operations of its business from the use of the Trademarks. (B) In any suit, proceeding or action brought by Lender under any License for any sum owing thereunder, or to enforce any provisions of such License, Borrower will indemnify and keep Lender harmless from and against all expense, loss or damage suffered by reason of any defense, set off, counterclaim, recoupment or reduction or liability whatsoever of the obligee thereunder, arising out of a breach of Borrower of any obligation thereunder or arising out of any other agreement, indebtedness or liability at any time owing to or in favor of such obligee or its successors from Borrower, and all such obligations of Borrower shall be and remain enforceable against and only against Borrower and shall not be enforceable against Lender.

(d) Limitation of Liens on Collateral. Borrower will not create, permit or suffer to exist, and will defend the Collateral against and take such other action as is necessary to remove any lien, security interest, encumbrance, claim or right, in or to the Collateral, and will defend the right, title and interest of Lender in and to any of Borrower's rights under the Licenses and to the Proceeds thereof against the claims and demands of all persons whomever.

(e) Limitations on Modifications of Licenses. Borrower will not (i) amend, modify, terminate or waive any provision of any License in any manner which might materially adversely affect the value of such License or the Trademarks as Collateral, without written notice to Lender, (ii) fail to exercise promptly and diligently each and every material right which it may have under each License (other than any right of termination), without the prior written consent of Lender, or (iii) fail to deliver to Lender a copy of each material demand, notice or document sent or received by it relating in any way to any License or Trademark.

(f) Notices. Borrower will advise Lender promptly, in reasonable detail, (i) of any lien or claim made or asserted against any of the Collateral, (ii) of any material change in the composition of the Collateral, and (iii) of the occurrence of any other event which would have a material adverse effect on the value of any of the Collateral or on the security interests created hereunder.

(g) Limitation on Further Uses of Trademarks. Borrower will not assign, sell, mortgage, lease, transfer, pledge, hypothecate, grant a security interest in or lien upon, encumber, or otherwise dispose of any of the Collateral, without prior written consent of Lender.

7 Lender's Appointment as Attorney-in-Fact.

(a) Borrower hereby irrevocably constitutes and appoints Lender and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of Borrower and in the name of Borrower or in its own name, from time to time in Lender's discretion,

for the purposes of carrying out the terms of this Security Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Security Agreement and, without limiting the generality of the foregoing, hereby gives Lender the power and right, on behalf of Borrower, to do the following:

(i) Upon the occurrence and continuance of an Event of Default, to ask, demand, collect, receive and give acquittances and receipts for any and all moneys due and to become due under any License and, in the name of Borrower or its own name or otherwise, to take possession of and endorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under any License and to file any claim or to take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by Lender for the purpose of collecting any and all such moneys due under any License whenever payable;

(ii) To pay or discharge taxes, liens, security interests or other encumbrances levied or placed on or threatened against the Collateral, to effect any repairs or any insurance called for by the terms of this Security Agreement and to pay all or any part of the premiums therefor and the costs thereof; and

(iii) Upon the occurrence and continuance of an Event of Default, (A) to direct any party liable for any payment under any of the Licenses to make payment of any and all moneys due and to become due thereunder directly to Lender or as Lender shall direct; (B) to receive payment of and receipt for any and all moneys, claims and other amounts due and to become due at any time in respect of or arising out of any Collateral; (C) to commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any part thereof and to enforce any other right in respect of any Collateral; (D) to defend any suit, action or proceeding brought against Borrower with respect to any Collateral; (E) to settle, compromise, or adjust any suit, action or proceeding described above and, in connection therewith, to give such discharges or releases as Lender may deem appropriate; and (F) generally to sell, transfer, pledge, make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though Lender were the absolute owner thereof for all purposes, and to do, at Lender's option all acts and things which Lender deems necessary to protect, preserve or realize upon the Collateral and Lender's security interest therein, in order to effect the intent of this Security Agreement, all as fully and effectively as Borrower might do.

This power of attorney is a power coupled with an interest and shall be irrevocable. Notwithstanding the foregoing, Borrower further agrees to execute any additional documents which Lender may require in order to confirm this power of attorney, or which Lender may deem necessary to enforce any of its rights contained in this Security Agreement.

(b) The powers conferred on Lender hereunder are solely to protect its interests in the Collateral and shall not impose any duty upon it to exercise any such powers. Lender shall be accountable only for amounts that it actually receives as a

result of the exercise of such powers and neither it nor any of its officers, directors, employees or agents shall be responsible to Borrower for any act or failure to act, except for its own gross negligence or willful misconduct.

(c) Borrower also authorizes Lender to execute, in connection with the sale provided for in paragraph 10(b) of this Security Agreement, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral.

8. Execution of Power of Attorney. Concurrently with the execution and delivery hereof, Borrower is executing and delivering to Lender, in the form of Schedule II hereto, ten (10) originals of a Power of Attorney for the implementation of the assignment, sale or other disposal of the Trademarks pursuant to paragraph 7 hereof.

9. Performance by Lender of Borrower's Obligations. If Borrower fails to perform or comply with any of its agreements contained herein and following occurrence of Event of Default, if Lender, as provided for by the terms of this Security Agreement, shall itself perform or comply, or otherwise cause performance or compliance, with the agreement, the reasonable expenses of Lender incurred in connection with such performance or compliance shall be payable by Borrower to Lender on demand and shall constitute Obligations secured hereby.

10. Remedies, Rights Upon Event of Default.

(a) If an Event of Default shall occur and be continuing:

(i) All payments received by Borrower under or in connection with any of the Collateral shall be held by Borrower in trust for Lender, shall be segregated from other funds of Borrower and shall forthwith upon receipt by Borrower, be turned over to Lender, in the same form as received by Borrower (duly indorsed by Borrower to Lender, if required); and

(ii) Any and all such payments so received by Lender (whether from Borrower or otherwise) may, in the sole discretion of Lender, be held by Lender as collateral security for, and/or then or at any time thereafter applied in whole or in part by Lender against all or any part of the Obligations in such order as Lender shall elect. Any balance of such payments held by Lender and remaining after payment in full of all the Obligations shall be paid over to Borrower or to whomsoever may be lawfully entitled to receive the same.

(b) If any Event of Default shall occur and be continuing, Lender may exercise in addition to all other rights and remedies granted to it in this Security Agreement and in any other instrument or agreement securing, evidencing or relating to the Obligations, all rights and remedies of a secured party under the Uniform Commercial Code. Borrower shall remain liable for any deficiency if the proceeds of any sale or disposition of the Collateral are insufficient to pay all amounts to which Lender is entitled. Borrower shall also be liable for the reasonable fees of any attorneys employed by Lender to collect any

such deficiency and also as to any reasonable attorney's fees incurred by Lender with respect to the collection of any of the Obligations and the enforcement of any of Lender's respective rights hereunder.

11. Termination. At such time as Borrower shall completely pay in full all of the Obligations and the Loan Agreement is terminated, this Security Agreement shall terminate and Lender shall execute and deliver to Borrower all such releases, deeds, assignments and other instruments as may be necessary or proper to revest in Borrower full title to the Trademarks, subject to any disposition thereof which may have been made by Lender pursuant hereto.

12. Notices. Any notice to Lender or Borrower under this Security Agreement shall be given in the manner and to the parties designated in the Loan Agreement.

13. No Waiver. No course of dealing between Borrower and Lender, nor any failure to exercise, nor any delay in exercising, on the part of Lender, any right, power or privilege hereunder or under the Loan Agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

14. Cumulative Remedies. All of Lender's rights and remedies with respect to the Collateral, whether established hereby or by the Loan Agreement, or by any other agreements or by law, shall be cumulative and may be exercised singularly or concurrently.

15. Severability. The provisions of this Security Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

16. No Modification Except in Writing. This Security Agreement is subject to modification only by a writing signed by the parties, except as provided in paragraphs 5 and 7.

17. Successors and Assigns. The benefits and burdens of this Security Agreement shall inure to the benefit of and be binding upon the respective successors and permitted assigns of the parties.

18. Governing Law. The validity and interpretation of this Security Agreement and the rights and obligations of the parties shall be governed by the laws of the State of New York.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement under seal as of the day and year first above written.
