Re: Resubmittal of Name Change Evidence for  
Recording Pursuant to Document ID No.: 100759935

Sir:

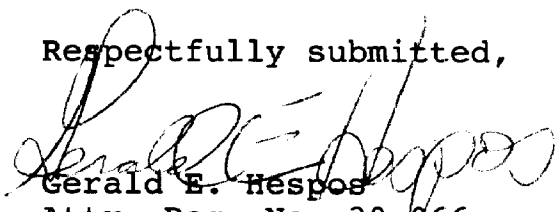

Counsel had submitted certified copies of documents from the Swiss government to evidence a name change of Tesa Brown & Sharpe S.A. to Brown & Sharpe Tesa S.A. Those documents were submitted with a Recordation Form Cover Sheet which properly identified the ten registrations against which the name change was to be recorded. Counsel also submitted \$265.00 to cover the recordation fee.

The documents that were submitted for recording were returned to counsel because one of the pages from the Swiss government included printing on both sides. Counsel was instructed to copy the double-sided page as two separate pages and to resubmit the various documents for recording.

In accordance with that requirement, counsel is hereby resubmitting all of the original documents except for the one-page that had been printed on both sides. That page is now submitted as two separate pages, each of which is printed on only one side. The attached documents also include the original Recordation Form Cover Sheet with the various stampings to indicate that counsel has paid the required fees. Additionally, a new cover sheet is submitted to show the total number of pages that result from the presentation of the original double-sided copy as two separate sheets. Additionally, a copy of the NOTICE OF NON-RECORDATION also is attached.

Please record these documents with the United States Patent and Trademark Office, and return the documents to the undersigned with a NOTICE OF RECORDATION. If additional fees are required, please charge our Deposit Account No. 03-1030.

Respectfully submitted,
