TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (this "Assignment") is made and entered into this 8 day of January, 1999 (the "Effective Date") by and between Benson Pump Co., an Illinois corporation, having a principal place of business at 11000 Mt. Rose Hwy., Reno, Nevada 89511 ("Assignor"), and South Central Pool Supply, Inc., a Delaware corporation, having a principal place of business at 109 Northpark Boulevard, Covington, Louisiana 70433-5001 ("Assignee").

WHEREAS, Assignor, Benson Pump-Georgia, Inc., J.K.K.T. Corp., and Assignee are parties to that certain Asset Purchase Agreement dated as of January 8, 1999 (the "Asset Purchase Agreement"), pursuant to which Assignor has agreed to sell and Assignee has agreed to purchase the assets, properties and rights pertaining to the Business as defined in the Asset Purchase Agreement;

WHEREAS, Assignor is the sole and exclusive owner of the entire right, title and interest in, to and under the trademarks and the United States trademark registrations identified and set forth on Schedule A, including variations thereof (the "Marks"), and the goodwill of the business associated therewith;

WHEREAS, Assignee wishes to acquire, and Assignor wishes to assign all of the right, title and interest in and to the Marks together with the goodwill of the business in connection with which the Marks are used, including all foreign rights corresponding thereto.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee, each intending to be legally bound, hereby agree as follows:

1. Assignor does hereby assign, transfer and set over to Assignee its entire right, title and interest in and to the Marks, together with the goodwill of the business in connection with which the Marks are used, and all registrations and applications therefor in the United States and in all foreign countries, including any renewals and extensions of the registrations that are or may be secured under the laws of the United States and all foreign countries, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made; together with all claims for damages by reason of past, present or future infringement or other unauthorized use of the Marks, with the right to sue for, and collect the same for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives.

2. Assignor requests the Commissioner of Patents and Trademarks of the United States or, in the case of the several states in the United States or countries outside the United States, the analogous individual or agency responsible for trademarks, service marks, trade/assumed names, to record Assignee as owner of the Marks, including any variations thereof, for the sole use and enjoyment of Assignee, its successors, assigns or other legal representatives.

3. Assignor hereby represents and warrants that it owns all right, title and interest in and to the Marks free and clear of any liens and encumbrances, that it has full right to assign all of its interests therein, and that it has not executed and will not execute any agreement or other instrument in conflict herewith.

4. Assignor shall provide to Assignee, its successors, assigns or other legal representatives, cooperation and assistance at Assignee's request and expense (including the execution and delivery of any and all affidavits, declarations, oaths, samples, exhibits, specimens and other documentation as may be reasonably required): (a) in the preparation and prosecution of any application for registration or any application for renewal of a registration covering any of the Marks; (b) in the prosecution or defense of any interference, opposition, infringement or other proceedings that may arise in connection with any of the Marks, including, but not limited to, testifying as to any facts relating to the Marks assigned herein and this Assignment; (c) in obtaining any additional trademark protection for the Marks that Assignee reasonably may deem appropriate that may be secured under the laws now or hereafter in effect in the United States or for all foreign countries; and (d) in the implementation or perfection of this Assignment.
