SECOND AND SUBORDINATE
TRADEMARK SECURITY AGREEMENT

THIS SECOND AND SUBORDINATE TRADEMARK SECURITY AGREEMENT ("Security Agreement"), dated May 26, 1994 is made by PAWS, INCORPORATED, an Indiana corporation (the "Borrower"), in favor of UNITED FEATURES SYNDICATE, INC. ("UFS");

WITNESSETH:

WHEREAS, pursuant to a certain Credit Agreement For Subordinated Debt executed between the Borrower and UFS of even date (the "Credit Agreement"), UFS has agreed to extend credit and to provide other financial accommodations to the Borrower; and

WHEREAS, in connection with the Credit Agreement, the Borrower has executed and delivered to UFS a certain Second and Subordinate General Security Agreement of even date (as the same may be hereafter amended or modified, the "General Security Agreement"); and

WHEREAS, as a condition precedent to the extension of credit under the Credit Agreement, the Borrower is required to execute and deliver this security Agreement;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and in order to induce UFS to extend credit and to provide other financial accommodations pursuant to the Credit Agreement, the Borrower hereby grants to UFS, subject to the Subordination Agreement, a continuing security interest in the Trademark Collateral, including, without limitation, that listed on Schedule 2 hereto, to secure payment, performance and observance of the Obligations; and the Borrower further agrees as follows:

1. Definitions. Terms used herein, and not specifically herein defined, shall have the meanings ascribed to them in the General Security Agreement or, by reference in the General Security Agreement, in the Credit Agreement.

2. Purpose. This Trademark Security Agreement has been executed and delivered by the Borrower to UFS for the purpose of registering the grant of security interest herein with the United States Patent and Trademark Office or with such other Governmental Authorities as may have jurisdiction over the Trademark Collateral within or without the United States of America.

3. Incorporation by Reference. The security interest herein has been granted as a supplement to, and not in limitation of, the security interest granted to UFS under the General Security Agreement. The General Security Agreement and all rights and

REEL 1178 FRAME 363

EXHIBIT A

remedies of UFS thereunder shall remain in full force and effects in accordance with its terms. This Security Agreement is made subject to all the terms, covenants, conditions, obligations, stipulations and agreements contained in the General Security Agreement to the same extent and effect as if fully set forth herein, and the General Security Agreement is subject to all the terms, covenants, conditions, obligations, stipulations and agreements contained in this Security Agreement to the same extent and effect as if fully set forth therein. In the event of any irreconcilable inconsistency between the terms of the General Security Agreement and this Security Agreement, this Security Agreement shall control.

4. Counterparts. This Security Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which taken together shall constitute but one and the same document.

IN WITNESS WHEREOF, the parties hereto have caused this Security Agreement to be duly executed and delivered by their respective officers duly authorized as of the day and year first above written.
