The power of attorney set forth in this Section 3, being coupled with an interest, is irrevocable so long as this Agreement shall not have terminated in accordance with Section 17.

Person, no other Person has any rights in or to any of the Trademark Collateral. To the best of Debtor's knowledge, the past, present and contemplated future use of the Trademark Collateral by Debtor has not, does not and will not infringe upon or violate any right, privilege or license agreement of or with any other Person.

(d) No Infringement. To the best of Debtor's knowledge, no material infringement or unauthorized use presently is being made of any of the Trademark Collateral by any Person.

(e) Powers. Debtor has the unqualified right, power and authority to pledge and to grant to Lender a security interest in all of the Trademark Collateral pursuant to this Agreement, and to execute, deliver and perform its obligations in accordance with the terms of this Agreement, without the consent or approval of any other Person except as already obtained.

6. Future Rights. For so long as any of the Obligations shall remain outstanding, or, if earlier, until Lender shall have released or terminated, in whole but not in part, its interest in the Trademark Collateral, if and when Debtor shall obtain rights to any new Trademarks, or any reissue, renewal or extension of any Trademarks, the provisions of Section 2 shall automatically apply thereto and Debtor shall give to Lender prompt notice thereof. 7. Lender's Duties. Notwithstanding any provision contained in this Agreement, Lender shall have no duty to exercise any of the rights, privileges or powers afforded to it and shall not be responsible to Debtor or any other Person for any failure to do so or delay in doing so. Except for the accounting for moneys actually received by Lender hereunder or in connection herewith, Lender shall have no duty or liability to exercise or preserve any rights, privileges or powers pertaining to the Trademark Collateral.

8. Remedies. From and after the occurrence and during the continuation of an Event of Default, Lender shall have all rights and remedies available to it under the Loan Agreement and applicable law (which rights and remedies are cumulative) with respect to the security interests in any of the Trademark Collateral or any other Collateral. Debtor agrees that such rights and remedies include the right of Lender as a secured party to sell or otherwise dispose of its Collateral after default, pursuant to UCC Section 9504. Debtor agrees that Lender shall at all times have such royalty-free licenses, to the extent permitted by law, for any Trademark Collateral that is reasonably necessary to permit the exercise of any of Lender's rights or remedies upon or after the occurrence of (and during the continuance of) an Event of Default with respect to (among other things) any tangible asset of Debtor in which Lender has a security interest, including Lender's rights to sell inventory, tooling or packaging which is acquired by Debtor (or its successor, assignee or trustee in bankruptcy); provided, however, that such license shall not extend to any item of Trademark Collateral that is now or hereafter held by Debtor as licensee or otherwise, solely in the event and to the extent that: (i) as the proximate result of the grant of such license, Debtor's rights in or with respect to such item of Trademark Collateral would be forfeited or would become void, voidable, terminable, or revocable, or if Debtor would be deemed to have breached, violated, or defaulted the underlying license or other agreement that governs such item of Trademark Collateral pursuant to the restrictions in the underlying license or other agreement that governs such item of Trademark Collateral; (ii) any such restriction shall be effective and enforceable under applicable law, including Section 9318(4) of the Code; and (iii) any such forfeiture, voidness, voidability, terminability, revocability, breach, violation, or default cannot be remedied by Debtor using its best efforts (but without any obligation to make any material expenditures of money or to commence legal proceedings). In addition to and without limiting any of the foregoing, upon the occurrence and during the continuance of an Event of Default, Lender shall have the right but shall in no way be obligated to bring suit, or to take such other action as Lender deems necessary or advisable, in the name of Debtor or Lender, to enforce or protect any of the Trademark Collateral, in which event Debtor shall, at the request of Lender, do any and all lawful acts and execute any and all documents required by Lender in aid of such enforcement. To the extent that Lender shall elect not to bring suit to enforce such Trademark Collateral, Debtor, in the exercise of its reasonable business judgment, agrees to use all reasonable measures and its diligent efforts, whether by action, suit, proceeding or otherwise, to prevent the infringement, misappropriation or violation thereof by others and for that purpose agrees diligently to maintain any action, suit or proceeding against any Person necessary to prevent such infringement, misappropriation or violation.

9. Binding Effect. This Agreement shall be binding upon, inure to the benefit of and be enforceable by Debtor and Lender and their respective successors and assigns.

10. Notices. All notices and other communications hereunder shall be in writing and shall be mailed, sent or delivered in accordance with the Loan Agreement.

11. Governing Law. This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of California, except to the extent that the validity or perfection of the security interests hereunder in respect of any Patent Collateral are governed by federal law, in which case such choice of California law shall not be deemed to deprive Lender of such rights and remedies as may be available under federal law.

12. Entire Agreement; Amendment. This Agreement and the Loan Agreement, together with the Schedules hereto and thereto, contains the entire agreement of the parties with respect to the subject matter hereof and supersede all prior drafts and communications relating to such subject matter. Neither this Agreement nor any provision hereof may be modified, amended or waived except by the written agreement of the parties as provided in the Loan Agreement. Notwithstanding the foregoing, Lender may re-execute this Agreement or modify, amend or supplement the Schedules hereto as provided in Section 6 hereof.

13. Severability. If one or more provisions contained in this Agreement shall be invalid, illegal or unenforceable in any respect in any jurisdiction or with respect to any party, such invalidity, illegality or unenforceability in such jurisdiction or with respect to such party shall, to the fullest extent permitted by applicable law, not invalidate or render illegal or unenforceable any such provision in any other jurisdiction or with respect to any other party, or any other provisions of this Agreement.

14. Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute but one and the same agreement.

15. Security Agreement. Debtor acknowledges that the rights and remedies of Lender with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement and all such rights and remedies are cumulative.

16. No Inconsistent Requirements. Debtor acknowledges that this Agreement and the other Loan Documents may contain covenants and other terms and provisions variously stated regarding the same or similar matters, and Debtor agrees that all such covenants, terms and provisions are cumulative and all shall be performed and satisfied in accordance with their respective terms. To the extent of any conflict between the provisions of this Agreement and the Loan Agreement, however, the provisions of the Loan Agreement shall govern.

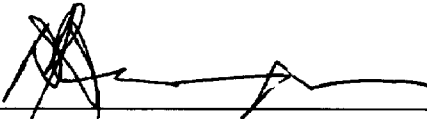

17. Termination. Upon the payment in full of the Obligations, including the cash collateralization, expiration, or cancellation of all Obligations, if any, consisting of letters of credit, and the full and final termination of any commitment to extend any financial accommodations under the Loan Agreement, this Agreement shall terminate, and Lender shall execute and deliver such documents and instruments and take such further action

reasonably requested by Debtor, at Debtor's expense, as shall be necessary to evidence termination of the security interest granted by Debtor to Lender hereunder, including cancellation of this Agreement by written notice from Lender to the PTO.

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement, as of the date first above written.
