RE: Error in Notice of Recordation of Assignment Document #100794232A

Dear Ms. Riley:

It has been noted that the original Notice of Recordation for the above-identified assignment document is incorrect. There were two U.S. Trademark applications erroneously listed in the Assignment Recordation Cover Sheet and attached Assignment with Exhibit.

The Assignment with Exhibit has been corrected to mark out these two applications. Furthermore, a corrected Assignment Recordation Cover Sheet has been completed and attached hereto.

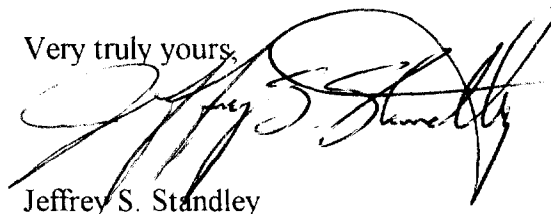

Also attached is the previous Notice of Recordation, Recordation Cover Sheet, and copy of assignment.

Please correct the records at the U.S. Patent and Trademark Office to delete the assignment from CompuServe Incorporated to America Online, Inc. for U.S. Trademark Application Serial Nos. 75/375,793 and 75/376,524. These marks should have not been included in the original assignment. This has come to the attention of the undersigned and this submission is being filed to delete the two applications from the recorded document.

Our check in the amount of \$65.00 is enclosed to cover the additional fees.

We look forward to receiving a Corrected Notice of Recordation with all attachments.

Very truly yours,

Jeffrey S. Standley
