TRADEMARK SECURITY AGREEMENT

(TRADEMARKS, TRADEMARK REGISTRATIONS, TRADEMARK APPLICATIONS AND TRADEMARK LICENSES)

WHEREAS, The Harvey Entertainment Company, a California corporation (the "Parent"), Harvey Comics, Inc., a New York corporation ("HCI") and Pepin/Merhi Entertainment Group, Inc., a California corporation ("PM") (the Parent, HCI and PM being collectively referred to as the "Pledgors"), now own or hold and may hereafter adopt, acquire or hold Trademarks (defined as all of the following: all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade dress, logos, other source of business identifiers and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof or similar property rights, and all applications in connection therewith, including, without limitation, registrations, recordings and applications in the United States Patent and Trademark Office or in any similar office or agency of the United States, any state thereof or any other country or any political subdivision of any thereof, and all reissues, extensions or renewals thereof) including, without limitation, the Trademarks listed on Schedule A annexed hereto, as such Schedule may be amended from time to time by the addition of Trademarks subsequently registered or otherwise adopted or acquired;

WHEREAS, pursuant to that certain Credit, Security, Guaranty and Pledge Agreement, dated as of April 3, 2000 (as the same may be amended, supplemented or otherwise modified, renewed or replaced from time to time, the "Credit Agreement"), among the Pledgors, the Guarantors referred to therein, the Lenders referred to therein (the "Lenders") and The Chase Manhattan Bank, as agent for the Lenders (the "Administrative Agent") and as Issuing Bank, the Lenders have agreed to make loans to the Pledgors and the Issuing Bank has agreed to issue letters of credit for the account of the Pledgors;

WHEREAS, pursuant to the terms of the Credit Agreement, the Pledgors have granted to the Administrative Agent (for the benefit of itself, the Issuing Bank and the Lenders) a security interest in and to all personal property of the Pledgors including, without limitation, all right, title and interest of the Pledgors in, to and under all of the Pledgors' Trademarks and Trademark licenses (including, without limitation, those Trademark licenses listed on Schedule B hereto), whether now owned, presently existing or hereafter arising, adopted or acquired and whether or not in possession of the Pledgors, together with the goodwill of the business connected with, and symbolized by, the Trademarks and all products and proceeds thereof and all

income therefrom, including, without limitation, any and all causes of action which exist now or may exist in the future by reason of infringement or dilution thereof or injury to the associated goodwill, to secure the payment and performance of the Obligations (such term being used herein as defined in the Credit Agreement); and

WHEREAS, Administrative Agent and Pledgors by this instrument seek to confirm and make a record of the grant of a security interest in the Trademarks and the goodwill associated therewith.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Pledgors do hereby grant to the Administrative Agent (for the benefit of itself, the Issuing Bank and the Lenders), as security for the Obligations, a continuing security interest in all of the Pledgors' right, title and interest in, to and under the following (all of the following items (i-iii) or types of property being collectively referred to herein as the "Trademark Collateral"), whether now owned, presently existing or hereafter arising, adopted or acquired and whether or not in possession of the Pledgors:

- (i) each Trademark and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark, including, without limitation, each Trademark referred to in Schedule A annexed hereto;
- (ii) each Trademark license, including, without limitation, each Trademark license referred to in Schedule B annexed hereto, to the extent such Trademark license does not prohibit the licensee from assigning or granting a security interest in its rights thereunder; and
- (iii) all products and proceeds of, and income from, any of the foregoing, including, without limitation, any claim by the Pledgors against third parties for the past, present or future infringement or dilution of any Trademark or any Trademark licensed under any Trademark license, or for injury to the goodwill associated with any Trademark.

The Pledgors agree to deliver updated copies of Schedule A and Schedule B to the Administrative Agent at the end of any quarter in which the Pledgors register or otherwise adopt or acquire any Trademark not listed on Schedule A hereto or enters into any Trademark license not listed on Schedule B hereto, and to duly and promptly execute and deliver, or have duly and promptly executed and delivered, at the cost and expense of the Pledgors, such further instruments or documents (in form and substance satisfactory to the Administrative Agent), and promptly perform, or cause to be promptly performed, upon the request of the Administrative Agent, any and all acts, in all cases, as may be necessary, proper or advisable from time to time, in the reasonable judgment of the Administrative Agent, to carry out the provisions and purposes of the Credit Agreement and this Trademark Security Agreement, and to provide, perfect and preserve the liens of the Administrative Agent (for the benefit of itself, the Issuing Bank and the

Lenders) granted pursuant to the Credit Agreement, this Trademark Security Agreement, and the other Fundamental Documents (as defined in the Credit Agreement) in the Trademark Collateral or any portion thereof.

The Pledgors agree that if any person, firm, corporation or other entity shall do or perform any act(s) which the Administrative Agent believes constitute an infringement of any Trademark, or violate or infringe any right of the Pledgors, the Administrative Agent, the Issuing Bank or the Lenders therein or if any person, firm, corporation or other entity shall do or perform any acts which the Administrative Agent reasonably believes constitute an unauthorized or unlawful use thereof, then and in any such event, upon thirty (30) days' prior written notice to the Pledgors (or if an Event of Default (as defined in the Credit Agreement) is at the time continuing, then without notice), the Administrative Agent may and shall have the right to take such reasonable steps and institute such reasonable suits or proceedings as the Administrative Agent may deem advisable or necessary to prevent such act(s) and/or conduct and to secure damages and other relief by reason thereof, and to generally take such steps as may be advisable or necessary or proper for the full protection of the rights of the parties. The Administrative Agent may take such steps or institute such suits or proceedings in its own name or in the name of the Pledgors or in the names of the parties jointly. The Administrative Agent hereby agrees to give the Pledgors notice of any steps taken, or any suits or proceedings instituted, by the Administrative Agent pursuant to this paragraph and Pledgors agree to assist the Administrative Agent with any steps taken, or any suits or proceedings instituted by the Administrative Agent pursuant to this paragraph at Pledgor's sole expense.

This security interest is granted in conjunction with the security interests granted to the Administrative Agent (for the benefit of itself, the Issuing Bank and the Lenders) pursuant to the Credit Agreement. Each of the Pledgors and the Administrative Agent does hereby further acknowledge and affirm that the rights and remedies of the Administrative Agent (for the benefit of itself, the Issuing Bank and the Lenders) with respect to the security interest made and granted hereby are subject to, and more fully set forth in, the Credit Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

This Trademark Security Agreement is made for collateral purposes only. At such time as all Commitments under the Credit Agreement have terminated, all Obligations (as defined in the Credit Agreement) have been indefeasibly paid in full and performed and all Letters of Credit have expired or been terminated or canceled, the Administrative Agent (on behalf of itself, the Issuing Bank and the Lenders), shall execute and deliver to the Pledgors, at the Pledgors' expense, without representation, warranty or recourse, all releases and reassignments, termination statements and other instruments as may be necessary or proper to terminate the security interest of the Administrative Agent (for the benefit of itself, the Issuing Bank and the Lenders) in the Trademark Collateral, subject to any disposition thereof which may have been made by the Administrative Agent pursuant to the terms hereof or of the Credit Agreement.

Subject to the terms and conditions of the Credit Agreement, the Administrative Agent (on behalf of itself, the Issuing Bank and the Lenders) agrees that there will be no assignment of the Trademark Collateral, other than the security interest described herein, unless and until there shall occur and be continuing an Event of Default and the Administrative Agent gives written notice to the Pledgors of its intention to enforce its rights against any of the Trademark Collateral.

So long as no Event of Default shall have occurred and be continuing, and subject always to the various provisions of the Credit Agreement and the other Fundamental Documents to which it is a party, the Pledgors may use, license and exploit the Trademark Collateral in any lawful manner permitted under the Credit Agreement and the other Fundamental Documents.

THIS TRADEMARK SECURITY AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH, AND GOVERNED BY, THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED WHOLLY WITHIN THE STATE OF NEW YORK.

Capitalized terms used herein and not otherwise defined shall have the meanings ascribed thereto in the Credit Agreement.

IN WITNESS WHEREOF, the Pledgors have caused this Trademark Security Agreement to be duly executed as of April 3, 2000.
