## TRADEMARK SECURITY AGREEMENT

WHEREAS, SPECIALIZED BICYCLE COMPONENTS, INC., a California corporation (the "Grantor"), has entered into an Amended and Restated Multicurrency Credit Agreement dated as of April 1, 2000 (the "Loan Agreement") with SBC (UK) Limited, Specialized Bicycle Components Canada, Inc., Specialized Europe B.V. (together with the Grantor, collectively the "Borrowers"), Bank of America, N.A., as Administrative Agent (the "Agent") for the financial institutions party thereto (collectively, the "Lenders"), Bank of America, N.A., as U.S. Agent, UK Agent, Netherlands Agent and Issuing Lender, and Bank of America Canada, as Canadian Agent and Canadian Accepting Lender, pursuant to which the Lenders have agreed to make loans and provide other financial accommodations to the Borrowers subject to the terms and conditions set forth therein;

WHEREAS, pursuant to the terms of the Loan Agreement, the Grantor has granted to the Agent a security interest in all of the personal property of the Grantor to secure the payment and performance of the Indebtedness (as such term is defined below), which personal property includes without limitation all right, title and interest of the Grantor in, to and under any of the following, whether now owned or hereafter acquired (collectively, the "Trademarks"): (a) all trademarks, service marks, logos, and all United States, state and/or foreign applications for registration and registrations thereof, all trade names, trade styles, designs, and the like, all elements of package or trade dress of goods, the goodwill of the Grantor's business connected with the use of, and symbolized by any of the above, and all property of the Grantor necessary to produce any products sold under any of the above, including registrations, recordings and applications in the United States Patent and Trademark Office or in any similar office or agency of the United States, any state or territory thereof, or any other country or any political subdivision thereof, including without limitation all of the trademarks listed in Schedule A attached hereto (as such Schedule may be amended from time to time by the addition of Trademarks subsequently registered or otherwise adopted or acquired); (b) renewals, modifications, amendments, re-issues, diversions, continuations in whole or in part, and extensions of any of the foregoing property; and (c) all proceeds in respect of any of the foregoing;

WHEREAS, for purposes of this Agreement, "Indebtedness" shall mean all loans and advances made by the Lenders to the Grantor or any other Borrower and all obligations and liabilities of the Grantor and each and every Borrower to the Agents and the Lenders, whether now existing or hereafter incurred or created, whether voluntary or involuntary, whether due or not due, whether joint or several, whether absolute or contingent (including but not limited to obligations of the Grantor or any Borrower as a guarantor of the indebtedness of another), and whether incurred directly or acquired by any such Agent or Lender by assignment or otherwise; and

WHEREAS, the address of the Agent is Bank of America, N.A., Commercial Agency Management, WA1-501-37-20, 800 Fifth Avenue, Floor 37, Seattle, Washington 98104-3185.

(i) each Trademark and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark, including without limitation each Trademark referred to in Schedule A annexed hereto;

(ii) each Trademark license, including without limitation each Trademark license referred to in Schedule B annexed hereto, to the extent such Trademark license does not prohibit the licensee from assigning or granting a security interest in its rights thereunder; and

(iii) all products and proceeds of, and income from, any of the foregoing, including without limitation any claim by the Grantor against third parties for the past, present or future infringement or dilution of any Trademark or any Trademark licensed under any Trademark license, or for injury to the goodwill associated with any Trademark.

2. The Grantor agrees that if any person, firm, corporation or other entity shall do or perform any acts which the Agent believes constitute an infringement of any Trademark, or violate or infringe any right of the Grantor or the Agent therein or if any person, firm, corporation or other entity shall do or perform any acts which the Agent believes constitute an unauthorized or unlawful use thereof, then and in any such event, the Agent may and shall have the right to take such steps and institute such suits or proceedings as the Agent may deem advisable or necessary to prevent such acts and conduct and to secure damages and other relief by reason thereof, and to generally take such steps as may be advisable or necessary or proper for the full protection of the rights of the parties, but the Agent shall not be obligated to do any of the foregoing. The Agent may take such steps or institute such suits or proceedings in its own name or in the name of the Grantor or in the names of the parties jointly.

3. The Grantor hereby irrevocably constitutes and appoints the Agent as its lawful attorney-in-fact to do all acts and things permitted or contemplated by the terms hereof and pursuant to the aforesaid Loan Agreement, which appointment shall be deemed coupled with an interest and irrevocable.

4. This Trademark Security Agreement is granted in conjunction with the security interest granted to the Agent pursuant to the Loan Agreement. The Grantor acknowledges and affirms that the rights and remedies of the Agent with respect to the Collateral

made and granted hereby are subject to, and more fully set forth in, the Loan Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.
