**GRANT OF SECURITY INTEREST  
(TRADEMARKS, SERVICE MARKS AND TRADE NAMES)**

**THIS GRANT OF SECURITY INTEREST (TRADEMARKS, SERVICE MARKS AND TRADE NAMES)** is dated as of January 31, 2001, between **HEAT AND CONTROL, INC.**, a California corporation having its chief executive office at 21121 Cabot Boulevard, Hayward, California 94545 (the "**Debtor**"), and **COMERICA BANK-CALIFORNIA**, not in its individual capacity, but solely in its capacity as the Collateral Agent, on behalf and for the benefit of the Banks named in the Credit Agreement (as defined below) having a representative office at 201 Spear Street, Suite 200, San Francisco, California 94105 (the "**Collateral Agent**").

**WHEREAS**, pursuant to that Credit Agreement dated of even date herewith (as the same from time to time hereafter may be amended, modified, supplemented or restated, the "**Credit Agreement**"), by and among the Debtor, the Banks from time to time party thereto, and the Collateral Agent, the Banks have agreed to make certain extensions of credit to the Debtor in the amounts and manner set forth in the Credit Agreement (collectively, the "**Loans**").

**WHEREAS**, pursuant to the terms of a Security Agreement dated of even date herewith (as the same from time to time hereafter may be amended, modified, supplemented or restated, the "**Security Agreement**") in favor of the Collateral Agent, for the ratable benefit of the Banks, the Debtor has granted to the Collateral Agent a security interest in all of its right, title and interest, whether presently existing or hereafter arising or acquired, in, to and under all of the Debtor's "**Collateral**", as defined in the Security Agreement.

**WHEREAS**, the Banks are willing to make the Loans to the Debtor, but only upon the condition, among others, that the Debtor shall grant a security interest in and assign for security purposes (and not as an absolute assignment) in favor of and to the Collateral Agent, for the ratable benefit of the Banks all of its right, title and interest in and to all Trademarks (as described below) to secure the Secured Obligations (as defined in the Security Agreement).

**NOW, THEREFORE**, for good and valuable consideration, the receipt of which is hereby acknowledged, as collateral security for the prompt and complete payment when due of its obligations under the Credit Agreement, the Notes and the other Credit Documents, the Debtor hereby represents, warrants, covenants and agrees as follows:

1. Unless otherwise defined herein, the terms defined in the Credit Agreement are used herein as therein defined.

2. To secure the Secured Obligations, the Debtor does hereby mortgage and pledge to the Collateral Agent, and grants to the Collateral Agent, for the ratable benefit of the Banks, a security interest in all of the Debtor's right, title and interest in, to and under:

(a) its Trademarks (as defined in the Security Agreement), including, without limitation, each registered trademark, trade name and service mark and each trademark, trade name and service mark application for registration respectively listed on **Schedules A** and **B** attached hereto, including, without limitation, all proceeds thereof (such as, by way of example

but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all reissues, continuations, continuations-in-part and renewals thereof;

(b) the goodwill of the business connected with the use of, and symbolized by, each Trademark; and

(c) all General Intangibles and intellectual property related to or necessary for, but not limited to, the production, processing, packaging, preservation, manufacture and storage of the Debtor's products.

3. The Debtor does hereby further acknowledge and affirm that the rights and remedies of the Collateral Agent and the Banks with respect to the assignment of and security interest in the Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference.

4. Following the termination of the Security Agreement in accordance with its terms, the Trademarks and any and all financing statements filed on behalf of the Collateral Agent will be automatically reassigned to the Debtor, and the Collateral Agent will execute such instruments as may be reasonably requested to evidence such reassignment.

5. This Grant of Security Interest (Trademarks, Service Marks and Trade Names) may be executed in any number of counterparts, each of which when so delivered shall be deemed an original, but all such counterparts taken together shall constitute but one and the same instrument.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, each of the parties have caused this Grant of Security Interest (Trademarks, Service Marks and Trade Names) to be duly executed by its officers thereunto duly authorized as of the date first written above.
