## AGREEMENT OF MERGER OF

**EFFECTIVE  
DATE  
DEC 8 1 2000**

**JWC ENVIRONMENTAL,  
a California corporation**

**AND**

**JWC MANUFACTURING,  
a California corporation**

**ENDORSED-FILED  
In the office of the Secretary of State  
of the State of California**

**DEC - 8 2000**

**BILL JONES, Secretary of State**

This Agreement of Merger is entered into as of this 25<sup>th</sup> day of November, 2000, between JWC Environmental, a California corporation and JWC Manufacturing, a California corporation.

1A. JWC Environmental is a California corporation organized on December 20, 1989, and has 25,000 shares of Class A Common Stock and 50,000 shares of Class B Common Stock outstanding.

1B. JWC Manufacturing is a California corporation organized on May 7, 1973, and has 2,270,525 shares of Class A Common Stock and 65,175 shares of Class B Common Stock outstanding.

2. JWC Manufacturing shall be merged into JWC Environmental.

3. Upon such merger, each outstanding share of JWC Manufacturing, other than shares held by shareholders who perfect their rights as dissenting shareholders under California law, shall be converted to 0.0301034 shares of JWC Environmental Class B Common Stock.

4. Upon such merger, the outstanding shares of JWC Environmental shall remain outstanding and are not affected by the merger.

5. The Articles of Incorporation of JWC Environmental are not amended by the merger.

6. The conversion of JWC Manufacturing shares into JWC Environmental shares as provided by this Agreement shall occur automatically upon the effective date without action and by the holders thereof. Each holder of JWC Manufacturing shares thereupon shall surrender his share certificate or certificates to JWC Environmental and shall be entitled to receive in exchange therefor a certificate or certificates representing the number of shares into which his shares theretofore represented by a certificate or certificates so surrendered shall have been converted as aforesaid.

7. Fractional shares shall not be issued and fractions of half or more shall be rounded to a whole share and fractions of less than half shall be disregarded, except that if the fraction of a share which any person would otherwise be entitled to receive is one-half of one percent or more of the total shares such persons would be entitled to receive, cash shall be paid for any such fraction in an amount proportionate to the fair value of a whole share as determined by the Board of Directors of JWC Environmental.

8. Notwithstanding that the conversion of shares pursuant to this Agreement is automatic at the effective date of the merger without action on the part of the shareholder, and that such automatic conversion is effective with respect to voting of shares, dividends shall not be paid on the converted shares until the surrender of certificates as provided in Paragraph 6, but the amount of such dividends shall be set aside. Upon such surrender of the certificate or certificates, the dividends thus set aside shall be paid without interest.

9. Upon such merger, the separate existence of JWC Manufacturing ceases and JWC Environmental shall succeed, without other transfer, to all the rights and property of JWC Manufacturing and shall be subject to all the debts and liabilities thereof in the same manner as if JWC Environmental itself had incurred them. All rights of creditors and all liens upon the property of each corporation shall be preserved unimpaired, provided that such liens upon property of JWC Manufacturing shall be limited to the property affected thereby immediately prior to the time the merger is effective.

10. After the merger becomes effective, JWC Manufacturing, through the persons who were its officers immediately prior to the merger, shall execute or cause to be executed such further assignments, assurances, or other documents as may be necessary or desirable to confirm title to properties, assets, and rights in JWC Environmental.

11. This Agreement is intended as a Plan of Reorganization within the meaning of §368 of the *Internal Revenue Code*.

12. The corporation parties to this Agreement are also parties to the Agreement of Reorganization. The two agreements are intended to be construed together in order to effectuate their purposes.

13. This Agreement may be terminated and the proposed merger abandoned at any time prior to the effective date of the merger, and whether before or after approval of this Agreement by the Board of Directors or Shareholders or either corporation, by mutual consent of the Board of Directors of the respective corporations.

14. The effective date of the merger is 12:00 midnight, December 31, 2000, or the date upon which a copy of this Agreement is filed with the Secretary of State of California, whichever is later.

IN WITNESS WHEREOF, the parties have executed this Agreement.
