AMENDED AND RESTATED SUBSIDIARY TRADEMARK  
SECURITY AGREEMENT

This AMENDED AND RESTATED SUBSIDIARY TRADEMARK SECURITY AGREEMENT (this "Agreement"), dated as of January 31, 2002, is entered into among Carl Karcher Enterprises, Inc., a California corporation located at 401 W. Carl Karcher Way, Anaheim, CA 92801 (with a mailing address of 3916 State Street, Suite 300, Santa Barbara, California, 93105) and Hardee's Food Systems, Inc., a North Carolina corporation located at 1233 Hardee's Boulevard, Rocky Mount, North Carolina 27804 (with a mailing address of 3916 State Street, Suite 300, Santa Barbara, California, 93105) (each an "Assignor" and collectively, the "Assignors"), and BNP Paribas, a bank organized under the laws of France acting through its Chicago branch, located at 209 South LaSalle, Suite 500, Chicago, Illinois 60604, acting in its capacity as agent for itself and the Secured Parties (together with its successors and assigns, the "Assignee"). Capitalized terms not otherwise defined herein have the meanings set forth (or incorporated) in the Second Amended and Restated Subsidiary Security Agreement, dated as of January 31, 2002, among the Assignors, other assignors thereunder and the Assignee (the "Subsidiary Security Agreement").

WHEREAS, pursuant to the Subsidiary Security Agreement, each Assignor is granting a security interest to the Assignee in certain Collateral, including the Trademarks (as defined herein);

WHEREAS, the Assignors have entered into that certain Subsidiary Trademark Security Agreement, dated as of July 15, 1997, by the Assignors in favor of the Assignee (as the same has been amended, restated, supplemented or otherwise modified prior to the date hereof, the "Original Subsidiary Trademark Security Agreement");

WHEREAS, subject to and upon the terms and conditions set forth herein, the parties hereto wish to amend and restate the Original Subsidiary Trademark Security Agreement in the form of this Agreement and that this Agreement not constitute a novation thereof;

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignors and the Assignee hereby agree as follows:

1. Grant of Security Interest

a. As security for the prompt and complete payment and performance in full of all the Obligations, each Assignor hereby confirms its pledge and grant to the Assignee for the benefit of itself and the Secured Parties pursuant to the Original Subsidiary Trademark Security Agreement, and hereby assigns, pledges and transfers to the Assignee for itself and the benefit of the Secured Parties, equally and ratably in proportion to the total Obligations owing at any time to the Assignee, the Lenders and the Interest Rate Hedge Providers, and grants to the Assignee for itself and the benefit of the Secured Parties, equally and ratably in proportion to the total Obligations owing at any time to the Assignee, the Lenders and the Interest Rate Hedge Providers, a security interest in and continuing lien on all of each Assignor's respective right, title and interest in, to and under the Trademarks, whether now owned or existing or hereafter acquired or arising, and wherever located, and all Proceeds, products, accessions, additions, substitutions or replacements in respect thereof. It is understood and agreed that the security interest hereunder is not intended to presently convey or assign any Assignor's title in or to the Trademarks.

b. For purposes of this Agreement, "Trademarks" shall mean all United States, state and foreign trademarks, trade names, corporate names, company names, business names, fictitious business names, internet domain names, trade styles, service marks, certification marks, collective marks, logos, other source of business identifiers, designs and general intangibles of a like nature, all registrations and applications for any of the foregoing including, without limitation, the registrations and applications referred to in Schedule A hereto, all extensions or renewals of any of the foregoing, all of the goodwill of the business connected with the use of and symbolized by the foregoing, the right to sue for past, present and future infringement or dilution of any of the foregoing or for any injury to goodwill, and proceeds of the foregoing including, without limitation, all licenses, royalties, income, payments, claims, damages, and proceeds of suit.

c. Schedule A hereto contains a true and accurate list of all of each Assignor's U.S. Trademark registrations and applications.

d. The security interest granted hereby is granted in conjunction with the security interest granted to the Assignee under the Subsidiary Security Agreement. The rights and remedies of the Assignee with respect to the security interest granted hereby are in addition to those set forth in the Subsidiary Security Agreement and those which are now or hereafter available to the Assignee as a

matter of law or equity. The exercise by the Assignee of any one or more of the rights, powers or remedies provided for in this Agreement or the Subsidiary Security Agreement or now or hereafter existing at law or in equity shall not preclude the simultaneous or later exercise by any person, including the Assignee, of any or all other rights, powers or remedies.

2. Modification of Agreement. Each Assignor authorizes the Assignee, upon notice to such Assignor, to modify this Agreement in the name of and on behalf of such Assignor without obtaining such Assignor's signature to such modification, to the extent that such modification constitutes an amendment of Schedule A to add any right, title, or interest in any Trademark owned or subsequently acquired by such Assignor. Each Assignor additionally agrees to execute any additional agreement or amendment hereto as may be required by the Assignee from time to time to subject any such right, title or interest in any owned or subsequently acquired Trademark to the liens and perfection created or contemplated hereby or by the Subsidiary Security Agreement.

3. Termination of Agreement. When the Obligations have been indefeasibly paid and performed in full and the Revolving Loan Commitments and all Letters of Credit shall have expired or been terminated, this Agreement shall terminate, and the Assignee, at the request and sole expense of the Assignors, will execute and deliver to the Assignors the proper instruments acknowledging termination of this Agreement, and will duly assign, transfer and deliver to the Assignors, without recourse, representation or warranty of any kind whatsoever, such of the Trademarks as have not theretofore been disposed of, applied or released.

4. Governing Law. **THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE CONSTRUED IN ACCORDANCE WITH AND BE GOVERNED BY THE LAWS OF THE STATE OF ILLINOIS (WITHOUT GIVING EFFECT TO THE PRINCIPLES THEREOF RELATING TO CONFLICTS OF LAW TO THE EXTENT SUCH PRINCIPLES WOULD REQUIRE THE APPLICATION OF THE LAWS OF A JURISDICTION OTHER THAN SUCH STATE).**

5. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the Assignors, the Assignee, the Secured Parties, all future holders of the Obligations and each of their respective successors and assigns, except that the Assignors may not assign or transfer any of their rights or obligations under this Agreement without the prior written consent of the Assignee.

6. Waiver and Amendments. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except in accordance with Section 10 of the Credit Agreement and as contemplated by Section 2 above, and any such waiver shall apply only with respect to the particular subject of such waiver and only for the time specified in such waiver.

7. Counterparts. This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument.

8. Loan Document. This Agreement is a Loan Document executed pursuant to the Credit Agreement and shall (unless otherwise expressly indicated herein) be construed, administered and applied in accordance with the terms and provisions thereof.

IN WITNESS WHEREOF, the Assignors and the Assignee have caused this Agreement to be duly executed and delivered as of the date first above written.
