PATENT AND TRADEMARK ASSIGNMENT  
AND SECURITY AGREEMENT

PATENT AND TRADEMARK ASSIGNMENT AND SECURITY AGREEMENT (“Agreement”) by and between Professional Chemicals Corporation (“Company”) and Fleet National Bank, as agent (“Agent”) for the Banks and the Agent under (and each as defined in) that certain Amended and Restated Revolving Credit and Term Loan Agreement dated as of April 18, 2000 (as amended and in effect from time to time, the “Loan Agreement”), among the Company, Windsor Industries, Inc. (“Windsor”), Century 400, Inc. (“Century 400”), Professional Equipment Acceptance Corporation (“PEAC”) and, as of the Joinder Date (as defined in the Loan Agreement), the T&G Entities (as defined in the Loan Agreement) (Windsor, Century 400, the Company, PEAC and, as of the Joinder Date, the T&G Entities, collectively the “Borrower”), the Banks and the Agent.

WHEREAS, in connection with the Loan Agreement, the Company and the Agent entered into a Patent and Trademark Security Agreement of even date therewith, a copy of which is attached hereto as Exhibit 1 (the “PTSA”), whereby the Company granted to the Agent a security interest in all Patents and all Trademarks of the Borrower;

WHEREAS, in entering into the PTSA, the parties did not intend that the Company would grant a present assignment of Patents and Trademarks to the Agent, but rather that the Company would conditionally assign the Patents and Trademarks to the Agent and that such assignment would become effective upon the occurrence and during the continuation of an Event of Default, at which time the Secured Party could use, sell, and otherwise exercise control over the Patents and Trademarks;

WHEREAS, on May 16, 2000, the PTSA was recorded against the Trademarks (including applications and registrations) with the Assignment Division of the U.S. Patent and Trademark Office (“PTO”), but inadvertently was erroneously recorded as an “Assignment” rather than as a “Security Interest” (see Reel 002073, Frame 0386);

WHEREAS, on September 28, 2000, the Agent attempted to correct the PTO’s records by recording a “Corrective Document” so that the PTSA would be properly recorded as a “Security Interest” (see Reel 002149, Frame 0305), but at least two registrations based on applications among the Trademarks were subsequently issued to the Agent, rather than to the Company, in contravention of the parties’ intent;

WHEREAS, the Company and the Agent, on behalf of themselves and on behalf of the Borrower and the Secured Party, as the case may be, desire to correct the PTO’s records concerning ownership of and security interests in the Patents and Trademarks, and believe that the clearest way to do so is for the Agent to assign all of the Patents and Trademarks back to the Company and for the Company to grant a new security interest in the Patents and Trademarks to the Agent;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. Definitions. Capitalized terms used but not defined herein have the meanings given to such terms in the Loan Agreement or the PTSA.

2. Assignment. Contingent upon the granting of the Security Interest pursuant to Section 3 below, the Agent hereby assigns to the Company all of the Patents and all of the Trademarks, as each is defined in the PTSA.

3. Security Interest. Effective immediately upon the assignment to the Company of the Patents and Trademarks pursuant to Section 2 above, the Company hereby grants, assigns and conveys to the Agent, in its capacity as agent for the Secured Party, a security interest in all of the Patents and all of the Trademarks on the same terms as provided in the PTSA.

4. Parties' Intent. Each of the Company and the Agent represents, warrants, and agrees on behalf of itself and each other Borrower or Bank, as the case may be, that the sole purpose of the transactions contemplated by this Agreement is to correct the records of the PTO with respect to ownership of and security interests in the Patents and Trademarks and that no modification of the PTSA or any of the parties' rights therein is intended to be or shall be effectuated by this Agreement. The parties further intend (a) that the security interest granted to the Secured Party hereunder shall be construed merely as a confirmation and continuation of the security interest originally granted to the Secured Party under the PTSA, (b) that the perfection of such security interest shall not have been interrupted as a result of the transactions contemplated hereby, and (c) that no third party shall have acquired any priority as against the Secured Party as a result of the transactions contemplated hereby. Accordingly, this Agreement shall be deemed to be effective nunc pro tunc as of April 18, 2000, notwithstanding the execution date set forth below.

5. Further Assurances. The Company and the Agent shall promptly execute any other documents and take any other action that may reasonably be required from time to time to effectuate the transactions contemplated by this Agreement.

6. Miscellaneous. This Agreement expresses the entire understanding of the parties concerning its subject matter and supersedes any and all previous communications by and between the parties, whether oral or written. This Agreement shall be binding upon the parties, their successors and assigns, and all entities controlled by or controlling them, and may not be modified except by a written instrument signed by both parties. This agreement shall be governed by and interpreted in accordance with the laws of the Commonwealth of Massachusetts, without regard to conflicts of laws principles thereof.

IN WITNESS WHEREOF, the Company and the Agent have caused this Agreement to be executed by their duly authorized officers as of this 28th day of March, 2002.

12. The Company and the Secured Party may from time to time agree in writing to the release of certain of the Patents and Trademarks from the security interest created hereby.

13. The Company shall hold the Secured Party and the Banks harmless from any and all costs, damages and expenses which may be incurred by the Secured Party, the Banks or the Company in connection with any action or failure to act by the Secured Party or any Bank in connection with this Agreement.

14. This Agreement and all rights and obligations hereunder, including matters of construction, validity and performance, shall be governed by the laws of the United States, and, to the extent that the laws of the United States are not applicable, by the laws of the Commonwealth of Massachusetts (without regard to principles of conflicts of laws). This Agreement is intended to take effect as a sealed instrument.

15. All notices hereunder shall be in writing and shall be given as provided in the Loan Agreement.

16. When all Obligations have been paid and performed in full, and if at the time the Banks are not committed to extend any credit to the Borrower under the Loan Agreement or under any other Loan Document, this Agreement shall terminate, and the Secured Party shall upon request, at the Company's expense, execute all such documentation necessary to release its security interest hereunder, provided, that notwithstanding the foregoing, this Agreement shall continue to be effective or be reinstated, as the case may be, if at any time payment or other satisfaction of any of the Obligations is rescinded or must otherwise be restored or returned upon the bankruptcy, Insolvency or reorganization of the Company, or otherwise, as though such payment had not been made or such performance occurred.

17. Neither this Agreement nor any term hereof may be changed, waived, discharged or terminated except by a written instrument expressly referring to this Agreement and to the provisions so modified or limited, and executed by all the parties hereto.

18. This Agreement and all obligations of the Company shall be binding upon the successors and assigns of the Company, and shall, together with the rights and remedies of the Secured Party hereunder, inure to the benefit of the Secured Party, the Banks and their respective successors and assigns. If any term of this Agreement shall be held to be invalid, illegal or unenforceable, the validity of all other terms hereof shall be in no way affected thereby, and this Agreement shall be construed and be enforceable as if such invalid, illegal or unenforceable term had not been included herein. The Company acknowledges receipt of a copy of this Agreement.
