(c) Grantor has the corporate power and authority to enter into this Security Agreement and perform its terms;

(d) To the extent necessary to prevent the abandonment, invalidation, unenforceability, avoidance or substantial diminution of value, Grantor has used, and will continue to use for the duration of this Security Agreement, proper statutory notice, where appropriate, in connection with its use of the Trademarks; and

(e) To the extent necessary to prevent the abandonment, invalidation, unenforceability, avoidance or substantial diminution of value, Grantor has used, and will continue to use for the duration of this Security Agreement, consistent standards of quality in its manufacture of products sold under the Trademarks.

4. Covenants. Grantor covenants and agrees with Lender that from and after the date of this Security Agreement and until the Obligations are fully satisfied:

(a) Maintenance of Trademarks. Grantor will not do any act, or omit to do any act, that causes the Trademarks or any registration or application appurtenant thereto, to become abandoned, invalidated, unenforceable, avoided, avoidable, or otherwise substantially diminish in value. Grantor shall take reasonable action at its expense to halt the infringement of the Trademarks and shall properly exercise its duty to control the nature and quality of the goods offered by any licensees in connection with the Licenses set forth in Schedule 1 to the extent necessary to prevent the abandonment, invalidation, unenforceability or avoidance of such licenses.

(b) Indemnification. Grantor assumes all responsibility and liability arising from its use of the Trademarks, and Grantor hereby indemnifies and holds Lender harmless from and against any claim, suit, loss, damage or expense (including reasonable attorneys' fees) arising out of Grantor's operations of its business from the use of the Trademarks except a claim, suit, loss, damage or expense from Lender's gross negligence or willful misconduct. In any suit, proceeding or action brought by Lender under any License for any sum owing thereunder, or to enforce any provisions of such License, Grantor will indemnify and keep Lender harmless from and against all expense, loss or damage suffered by reason of any defense, set off, counterclaim,

recoupment or reduction or liability whatsoever of the obligee thereunder arising out of a breach of Grantor of any obligation thereunder or arising out of any other agreement, indebtedness or liability at any time owing to or in favor of such obligee or its successors from Grantor, and all such obligations of Grantor shall be and remain enforceable against and only against Grantor and shall not be enforceable against Lender unless attributable to the Lender's gross negligence or willful misconduct.

(c) Limitation of Liens on Collateral. Grantor will not create, permit or suffer to exist any lien, security interest, encumbrance, claim or right, in or to the Collateral, and to any of Grantor's rights under the Licenses and to the Proceeds thereof, other than Permitted Liens.

(d) Limitations on Modifications of Licenses. To the extent necessary to prevent the abandonment, invalidation, unenforceability or avoidance of any License, Grantor will not (i) amend, modify, terminate (other than in accordance with its terms) or waive any provision of any License in any manner, (ii) fail to exercise promptly and diligently each and every material right which it may have under each License (other than any right of termination).

(e) Limitation on Further Uses of Trademarks. Grantor will not assign, sell, mortgage, lease, transfer, pledge, hypothecate, grant a security interest in or lien upon, encumber, grant an exclusive license, or otherwise dispose of any of the Collateral, without written consent of Lender.

#### 5. Lender's Appointment as Attorney-in-Fact

(a) Grantor hereby irrevocably constitutes and appoints Lender and any officer or Lender thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of Grantor and in the name of Grantor or in its own name, from time to time in Lender's discretion, for the purposes of carrying out the terms of this Security Agreement, upon the occurrence and during the continuation of an Event of Default, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Security Agreement and, without limiting the generality of the foregoing, hereby gives Lender the power and right, on behalf of Grantor, to do the following:

(i) Upon the occurrence and during the continuance of an Event of Default, to ask, demand, collect, receive and give acquittances and receipts for any and all moneys due and to become due under any License and, in the name of Grantor or its own name or otherwise, to take possession of and endorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under any License and to file any claim or to take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by Lender for the purpose of collecting any and all such moneys due under any License whenever payable;

(ii) Upon the occurrence and during the continuance of an Event of Default, to pay or discharge taxes, liens, security interests or other encumbrances levied or placed on or threatened against the Collateral,

(iii) Upon the occurrence and during the continuance of an Event of Default, (A) to direct any party liable for any payment under any of the Licenses to make payment of any and all moneys due and to become due thereunder directly to Lender or as Lender shall direct; (B) to receive payment of and receipt for any and all moneys, claims and other amounts due and to become due at any time in respect of or arising out of any Collateral; (C) to commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any part thereof and to enforce any other right in respect of any Collateral; (D) to defend any suit, action or proceeding brought against Grantor with respect to any Collateral; (E) to settle, compromise, or adjust any suit, action or proceeding described above and, in connection therewith, to give such discharges or releases as Lender may reasonably deem appropriate; and (F) generally to sell, transfer, pledge, make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though Lender were the absolute owner thereof for all purposes, and to do, at Lender's option all acts and things which Lender reasonably deems necessary to protect, preserve or realize upon the Collateral and Lender's security interest therein, in order to effect the intent of this Security Agreement, all as fully and effectively as Grantor might do.

This power of attorney is a power coupled with an interest and shall be irrevocable. Notwithstanding the foregoing, Grantor further agrees to execute any additional documents which Lender may require in order to confirm this power of attorney, or which Lender may deem necessary to enforce any of its rights contained in this Security Agreement.

(b) The powers conferred on Lender hereunder are solely to protect its interests in the Collateral and shall not impose any duty upon it to exercise any such powers. Lender shall be accountable only for amounts that it actually receives as a result of the exercise of such powers and neither it nor any of its officers, directors, employees or Lenders shall be responsible to Grantor for any act or failure to act, except for its own gross negligence or willful misconduct.

(c) Grantor also authorizes Lender to execute, in connection with the sale provided for in paragraph 8(b) of this Security Agreement, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral.

6. Execution of Power of Attorney. Concurrently with the execution and delivery hereof, Grantor is executing and delivering to Lender, in the form of Schedule 2 hereto, ten (10) originals of a Power of Attorney for the implementation of the assignment, sale or other disposal of the Trademarks pursuant to paragraph 5 hereof.

7. Performance by Lender of Grantor's Obligations. If Grantor fails to perform or comply with any of its agreements contained herein and Lender, as provided for by the terms of this Security Agreement, shall itself perform or comply, or otherwise cause performance or

compliance, with such agreement, the reasonable expenses of Lender incurred in connection with such performance or compliance shall be payable by Grantor to Lender on demand and shall constitute Obligations secured hereby.

8. Remedies and Rights Generally.

(a) All payments received by Grantor under or in connection with any of the Collateral shall be held by Grantor in trust for Lender, shall be segregated from other funds of Grantor and shall forthwith upon receipt by Grantor, be turned over to Lender, in the same form as received by Grantor (duly endorsed by Grantor to Lender, if required); and

(b) Any and all payments received by Lender (whether from Grantor or otherwise) may, in the sole discretion of Lender, be held by Lender as collateral security for, and/or then or at any time thereafter applied in whole or in part by Lender against all or any part of the Obligations as provided in the Agreement. Any balance of such payments held by Lender and remaining after payment in full of all the Obligations shall be paid over to Grantor or to whomsoever may be lawfully entitled to receive the same.

(c) If any Event of Default shall occur and be continuing, Lender may exercise in addition to all other rights and remedies granted to it in this Security Agreement and in any other instrument or agreement securing, evidencing or relating to the Obligations, all rights and remedies of a secured party under the Code, including, without limitation, sale of the Collateral. Grantor shall remain liable for any deficiency if the proceeds of any sale or disposition of the Collateral are insufficient to pay all amounts to which Lender is entitled. Grantor shall also be liable for the reasonable fees of any attorneys employed by Lender to collect any such deficiency and also as to any reasonable attorney's fees incurred by Lender with respect to the collection of any of the Obligations and the enforcement of any of Lender's respective rights hereunder.

9. Termination. Upon payment in full of all Obligations and the termination of all Commitments and Letters of Credit, the Security Interests shall terminate and all rights to the Collateral shall revert to Grantor. Upon such termination of the Security Interests or release of any Collateral, Lender will, at the expense of Grantor, execute and deliver to Grantor such documents as Grantor shall reasonably request to evidence the termination of the Security Interests or the release of such Collateral, as the case may be.

10. Notices. Any notice to Lender shall be deemed to have been duly given when given under the Agreement.

11. No Waiver. No course of dealing between Grantor and Lender, nor any failure to exercise, nor any delay in exercising, on the part of Lender, any right, power or privilege hereunder or under the Agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

12. Cumulative Remedies. All of Lender's rights and remedies with respect to the Collateral, whether established hereby or by the Agreement, or by any other agreements or by law, shall be cumulative and may be exercised singularly or concurrently.

13. Severability. The provisions of this Security Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Security Agreement in any jurisdiction.

14. No Modification Except in Writing. This Security Agreement is subject to modification only by a writing signed by the parties.

15. Successors and Assigns. The benefits and burdens of this Security Agreement shall inure to the benefit of and be binding upon the respective successors and permitted assigns of the parties in accordance with the Agreement.

16. Governing Law. The validity and interpretation of this Security Agreement and the rights and obligations of the parties shall be governed by the laws of the State of Texas.
