TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT ("Agreement"), dated as of August 20, 2002, is by and between the parties listed on Schedule 1 hereto (each individually, a "Debtor" and collectively, "Debtors"), and CONGRESS FINANCIAL CORPORATION (CENTRAL), an Illinois corporation having an address at 150 South Wacker Drive, Chicago, Illinois 60606, in its capacity as agent ("Secured Party") pursuant to the Loan Agreement (as hereinafter defined) acting for and on behalf of the financial institutions which are parties thereto as lenders (individually each, a "Lender" and collectively, "Lenders").

W I T N E S S E T H :

WHEREAS, Debtor has adopted, used, and is the owner of the entire right, title, and interest in and to the registered trademarks, and trademark applications described in Exhibit A hereto and made a part hereof;

WHEREAS, Hartmarx Corporation, a Delaware corporation ("Hartmarx"), certain Subsidiaries of Hartmarx, Secured Party and Lenders have entered into or are about to enter into financing arrangements pursuant to which Secured Party and Lenders may make loans and advances and provide other financial accommodations to Hartmarx as set forth in the Loan and Security Agreement, dated of even date herewith, by and between Hartmarx, certain Subsidiaries of Hartmarx, Secured Party and Lenders (as the same now exists or may hereafter be amended, modified, supplemented, extended, renewed, restated or replaced, the "Loan Agreement"; capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Loan Agreement) and certain other Financing Agreements; and

WHEREAS, in order to induce Secured Party and Lenders to enter into the Loan Agreement and the other Financing Agreements and to make loans and advances and provide other financial accommodations to Hartmarx and certain of its Subsidiaries pursuant thereto, Debtors have agreed to grant a security interest in the Collateral (as defined below) to Secured Party, for the benefit of Lenders.

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Debtor hereby agrees as follows:

1. GRANT OF SECURITY INTEREST. As collateral security for the prompt performance, observance and full and final payment of the Obligations, each Debtor hereby grants to Secured Party, for the benefit of Lenders, a continuing security interest in and a general lien upon, the following (being collectively referred to herein as the "Collateral"): (a) all of such Debtor's now existing or hereafter acquired right, title, and interest in and to: (i) all of such Debtor's trademarks, and all trademark and service mark applications and all applications, registrations and recordings relating to the foregoing as may at any time be filed in the United States Patent and Trademark Office or in any similar office or agency of the United States, any

State thereof, any political subdivision thereof or in any other country, including, without limitation, the trademarks described in Exhibit A hereto, together with all rights and privileges arising under applicable law with respect to any Debtor's use of any trademarks, trade names, trade styles and service marks, and all reissues, extensions, continuations and renewals thereof (all of the foregoing being collectively referred to herein as the "Trademarks"); and (ii) all prints and labels on which such trademarks, trade names, trade styles and service marks appear, have appeared or will appear, and all designs and general intangibles of a like nature; (b) the goodwill of the business symbolized by each of the Trademarks, including, without limitation, all customer lists and other records relating to the distribution of products or services bearing the Trademarks; (c) all income, fees, royalties and other payments at any time due or payable with respect thereto, including, without limitation, payments under all licenses at any time entered into in connection therewith; (d) the right to sue for past, present and future infringements thereof; (e) all rights corresponding thereto throughout the world; and (f) any and all other proceeds of any of the foregoing, including, without limitation, damages and payments or claims by such Debtor against third parties for past or future infringement of the Trademarks.

2. OBLIGATIONS SECURED

The security interest granted to Secured Party, for the benefit of Lenders, pursuant to this Agreement shall secure the performance and payment of the Obligations.

3. REPRESENTATIONS, WARRANTIES AND COVENANTS

Each Debtor hereby represents, warrants and covenants with and to Secured Party the following (which shall survive the execution and delivery hereof):

(a) All of the Collateral of each Debtor (other than Trademarks not registered in the United States and subject to the right of Debtor to abandon Trademarks in accordance with Section 3(h) hereof) is subsisting and in full force and effect and, to the best of each Debtor's knowledge, all such registered Trademarks are valid and enforceable, and Debtors own the sole, full and clear title thereto (subject only to the security interests granted hereunder and pursuant to the Loan Agreement), and the right and power to grant the security interest granted hereunder. Debtors shall, at Debtors' expense, perform all acts and execute all documents necessary to maintain the Collateral consisting of registered Trademarks as registered trademarks and to maintain the existence of all of the Collateral as valid and subsisting, including, without limitation, the filing of any renewal affidavits and applications, except, in each case, with respect to, those Trademarks which are not material and are no longer used or useful in any material respect in the business of Debtors or any of their Affiliates or Subsidiaries and do not appear on or are not affixed to or used in the manufacture, sale or distribution of any Inventory or incorporated in any Equipment or necessary in connection with the Records and have a minimal value and/or are not likely, in Debtor's reasonable judgment, to issue (with respect to a Trademark application) or be sustained in a pending challenge. The Collateral is not subject to any liens, claims, mortgages, assignments, licenses, security interests or encumbrances of any nature whatsoever, except: (i) the security interests granted hereunder and pursuant to the Loan

Agreement, (ii) the security interests permitted under the Loan Agreement, and (iii) the licenses permitted under Section 3(d) below or under the Loan Agreement.

(b) No Debtor shall assign, sell, mortgage, lease, transfer, pledge, hypothecate, grant a security interest in or lien upon, encumber, grant an exclusive or non-exclusive license relating to the Collateral, or otherwise dispose of any of the Collateral, in each case without the prior written consent of Secured Party, except as otherwise permitted herein or in the Loan Agreement.

(c) Each Debtor shall, at its own or Debtors' expense, promptly perform all acts and execute all documents reasonably requested at any time by Secured Party to evidence, perfect, maintain, record or enforce the security interest in the Collateral granted hereunder or to otherwise further the provisions of this Agreement. Debtors hereby authorize Secured Party to execute and file one or more financing statements (or similar documents) with respect to the Collateral, signed only by Secured Party or as otherwise determined by Secured Party. Debtor further authorizes Secured Party to have this Agreement or any other similar security agreement filed with the Commissioner of Patents and Trademarks or any other appropriate federal, state or government office.

(d) As of the date hereof, each Debtor does not have any Trademarks registered, or subject to pending applications, in the United States Patent and Trademark Office or any similar office or agency in the United States, any State thereof, any political subdivision thereof or in any other country, other than those described in Exhibit A hereto and has not granted any licenses with respect thereto other than as set forth in Schedule 8.11 to the Information Certificate constituting Exhibit C to the Loan Agreement.

(e) Each Debtor shall, concurrently with the execution and delivery of this Agreement, execute and deliver to Secured Party five (5) originals of a Special Power of Attorney in the form of Exhibit B annexed hereto for the implementation of the assignment, sale or other disposition of the Collateral pursuant to Secured Party's exercise of the rights and remedies granted to Secured Party hereunder.

(f) Secured Party may, in its discretion, pay any amount or do any act which Debtor fails to pay or do as required hereunder to preserve, protect, maintain, record or enforce the Obligations, the Collateral or the security interest granted hereunder, including, but not limited to, all filing or recording fees, court costs, collection charges, and reasonable attorneys' fees and legal expenses. Debtors shall be jointly and severally liable to Secured Party for any such payment, which payment shall be deemed an advance by Secured Party to Hartmarx, shall be payable on demand together with interest at the rate then applicable to the Obligations set forth in the Loan Agreement and shall be part of the Obligations secured hereby.

(g) In the event any Debtor shall file any application for the registration of a Trademark with the United States Patent and Trademark Office or any similar office or agency in the United States, any State thereof, any political subdivision thereof or in any other country, such Debtor shall provide Secured Party with written notice of such action not later than thirty (30) days after

such action. If, after the date hereof, any Debtor shall (i) obtain any registered trademark or trade name, or apply for any such registration in the United States Patent and Trademark Office or in any similar office or agency in the United States, any State thereof, any political subdivision thereof or in any other country, or (ii) become the owner of any trademark registrations or applications for trademark registration in the United States, any State thereof, any political subdivision thereof or in any other country, the provisions of Section 1 hereof shall automatically apply thereto. Upon the request of Secured Party, each Debtor shall promptly execute and deliver to Secured Party any and all agreements, instruments, documents and such other papers as may be reasonably requested by Secured Party to evidence the security interest in such Trademark in favor of Secured Party, for the benefit of Lenders.

(h) No Debtor has abandoned any of the Trademarks and no Debtor will do any act, or omit to do any act, whereby the Trademarks may become abandoned, invalidated or unenforceable, provided, that, Debtor may abandon or cancel such Trademarks which are not material and are no longer used or useful in any material respect in the business of any Debtor or any of its affiliates or subsidiaries and do not appear on or are not affixed to or used in the manufacture, sale or distribution of any Inventory or incorporated in any Equipment or necessary in connection with the Records (as defined in the Loan Agreement) and has a minimal value and/or is not likely, in such Debtor's judgment, to issue (with respect to a Trademark application) or be sustained in a pending challenge. Debtor shall promptly notify Secured Party if it knows of any reason why any application, registration, or recording with respect to any Trademarks may become abandoned, canceled or invalidated (other than those permitted to be abandoned pursuant to the terms of the previous sentence).

(i) Each Debtor shall render any assistance, as Secured Party shall determine is necessary, to Secured Party in any proceeding before the United States Patent and Trademark Office, any federal or state court, or any similar office or agency in the United States, any State thereof, any political subdivision thereof or in any other country to: (i) upon the occurrence and during the continuance of an Event of Default, maintain any application and registration of the Trademarks as such Debtor's exclusive property and (ii) protect Secured Party's interest therein, including, without limitation, filing of renewals, affidavits of use, affidavits of incontestability and opposition, interference, and cancellation proceedings and defending against challenges, subject to each Debtor's rights to abandon or cancel such Trademarks and Trademark applications pursuant to Section 3(h) hereof.

(j) To each Debtor's knowledge, no material infringement or unauthorized use presently is being made of any of the Trademarks that would adversely affect in any material respect the fair market value of the Collateral or the benefits of this Agreement granted to Secured Party, including, without limitation, the validity, priority or perfection of the security interest granted herein or the remedies of Secured Party hereunder. Each Debtor shall promptly notify Secured Party if such Debtor (or any affiliate or subsidiary thereof) learns of any use by any person of any term or design which infringes on any Trademark or is likely to cause confusion with any Trademark. If requested by Secured Party or any Lender, each Debtor, at such Debtor's expense,

shall join with Secured Party in such action as Secured Party, in Secured Party's discretion, may deem advisable for the protection of Secured Party's interest in and to the Trademarks.

(k) Each Debtor assumes all responsibility and liability arising from the use of the Trademarks and each Debtor hereby jointly and severally indemnifies and holds Secured Party and Lenders harmless from and against any claim, suit, loss, damage, or expense (including attorneys' fees and legal expenses) arising out of any alleged defect in any product manufactured, promoted, or sold by such Debtor (or any affiliate or subsidiary thereof) in connection with any Trademark or out of the manufacture, promotion, labeling, sale or advertisement of any such product by such Debtor (or any affiliate or subsidiary thereof). The foregoing indemnity shall survive the payment of the Obligations, the termination of this Agreement and the termination or non-renewal of the Loan Agreement.

4. RIGHTS AND REMEDIES

At any time an Event of Default exists or has occurred and is continuing, in addition to all other rights and remedies of Secured Party, whether provided under this Agreement, the Loan Agreement, the other Financing Agreements, applicable law or otherwise, Secured Party shall have the following rights and remedies which may be exercised without notice to, or consent by, any Debtor except as such notice or consent is expressly provided for hereunder:

(a) Secured Party may require that neither any Debtor nor any Affiliate or Subsidiary of any Debtor make any use of the Trademarks or any marks similar thereto for any purpose whatsoever. Secured Party may make use of any Trademarks for the sale of goods, completion of work-in-process or rendering of services or otherwise in connection with enforcing the security interest granted to Secured Party by Debtors or any subsidiary or affiliate of any Debtor or for such other reason as Secured Party may determine.

(b) Secured Party may grant such license or licenses relating to the Collateral for such term or terms, on such conditions, and in such manner, as Secured Party shall in its discretion deem appropriate. Such license or licenses may be general, special or otherwise, and may be granted on an exclusive or non-exclusive basis throughout all or any part of the United States of America, its territories and possessions, and all foreign countries, provided that such licenses shall not violate the rights of any exclusive licensee under any license theretofore granted by any Debtor or any Subsidiary or Affiliate of any Debtor and disclosed to Secured Party in writing.

(c) Secured Party may assign, sell or otherwise dispose of the Collateral or any part thereof, either with or without special conditions or stipulations except that if notice to Debtor of intended disposition of Collateral is required by law, the giving of five (5) days prior written notice to Debtors of any proposed disposition shall be deemed reasonable notice thereof and each Debtor waives any other notice with respect thereto. Secured Party shall have the power to buy the Collateral or any part thereof, and Secured Party shall also have the power to execute assurances and perform all other acts which Secured Party may, in its discretion, deem

appropriate or proper to complete such assignment, sale, or disposition. In any such event, Debtors shall be liable for any deficiency.

(d) In addition to the foregoing, in order to implement the assignment, sale, or other disposition of any of the Collateral pursuant to the terms hereof, Secured Party may execute and deliver on behalf of any Debtor, pursuant to the authority granted in the Powers of Attorney described in Section 3(e) hereof, one or more instruments of assignment of the Trademarks (or any application, registration, or recording relating thereto), in form suitable for filing, recording, or registration. Each Debtor agrees to pay Secured Party and Lenders on demand all costs incurred in any such transfer of the Collateral, including, but not limited to, any taxes, fees, and attorneys' fees and legal expenses. Each Debtor agrees that Secured Party and Lenders have no obligation to preserve rights to the Trademarks against any other parties.

(e) Secured Party shall first apply the proceeds actually received from any such license, assignment, sale or other disposition of any of the Collateral as set forth in the Loan Agreement to the costs and expenses thereof, including, without limitation, attorneys' fees and all legal, travel and other expenses which may be incurred by Secured Party or Lenders. Thereafter, Secured Party may apply any remaining proceeds to such of the Obligations as Secured Party may in its discretion determine. Each Debtor shall remain liable to Secured Party and Lenders for any of the Obligations remaining unpaid after the application of such proceeds, and Debtors shall pay Secured Party on demand any such unpaid amount, together with interest at the rate then applicable to the Obligations set forth in the Loan Agreement.

(f) Each Debtor shall supply to Secured Party or to Secured Party's designee, such Debtor's knowledge and expertise relating to the manufacture, sale and distribution of the products and services bearing the Trademarks and such Debtor's customer lists and other records relating to the Trademarks.

(g) Nothing contained herein shall be construed as requiring Secured Party or any Lender to take any such action at any time. All of Secured Party's and Lenders' rights and remedies, whether provided under this Agreement, the other Financing Agreements, applicable law, or otherwise, shall be cumulative and none is exclusive. Such rights and remedies may be enforced alternatively, successively, or concurrently.

5. JURY TRIAL WAIVER; OTHER WAIVERS AND CONSENTS; GOVERNING LAW

(a) The validity, interpretation and enforcement of this Agreement and the other Financing Agreements and any dispute arising out of the relationship between the parties hereto, whether in contract, tort, equity or otherwise, shall be governed by the internal laws of the State of Illinois but excluding any principles of conflicts of law or other rule of law that would cause the application of the law of any jurisdiction other than the laws of the State of Illinois.

(b) Debtors and Secured Party irrevocably consent and submit to the non-exclusive jurisdiction of the Circuit Court of Cook County, Illinois and the United States District Court for the Northern District of Illinois and waive any objection based on venue or forum non conveniens with respect to any action instituted therein arising under this Agreement or in any way connected or related or incidental to the dealings of Debtors and Secured Party or any Lender in respect of this Agreement or the transactions related hereto, in each case whether now existing or thereafter arising, and whether in contract, tort, equity or otherwise, and agree that any dispute with respect to any such matters shall be heard only in the courts described above (except that Secured Party shall have the right to bring any action or proceeding against Debtor or its property in the courts of any other jurisdiction which Secured Party deems necessary or appropriate in order to realize on the Collateral or to otherwise enforce its rights against Debtor or its property).

(c) Each Debtor hereby waives personal service of any and all process upon it and consents that all such service of process may be made by certified mail (return receipt requested) directed to its address set forth herein and service so made shall be deemed to be completed five (5) days after the same shall have been so deposited in the U.S. mails, or, at Secured Party's option, by service upon such Debtor in any other manner provided under the rules of any such courts.

(d) EACH DEBTOR AND SECURED PARTY EACH HEREBY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION (i) ARISING UNDER THIS AGREEMENT OR (ii) IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF DEBTORS AND SECURED PARTY IN RESPECT OF THIS AGREEMENT OR THE TRANSACTIONS RELATED HERETO WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER IN CONTRACT, TORT, EQUITY OR OTHERWISE. EACH DEBTOR AND SECURED PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY AND THAT DEBTORS OR SECURED PARTY MAY FILE AN ORIGINAL COUNTERPART OF A COPY OF THIS AGREEMENT WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF DEBTORS AND SECURED PARTY TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.
