TRADEMARK COLLATERAL SECURITY AND PLEDGE AGREEMENT

This **TRADEMARK COLLATERAL SECURITY AND PLEDGE AGREEMENT** (this "Trademark Assignment"), dated as of November 21, 2002, is by and among (a) **COLUMBUS MCKINNON CORPORATION**, a New York corporation having its principal place of business at 140 John James Audubon Parkway, Amherst, New York 14228 (the "Borrower"), (b) each of the Subsidiaries of the Borrower listed as a "Guarantor" on the signature pages hereto (together with the Borrower, the "Assignors" and each individually an "Assignor"), and (c) **REGIMENT CAPITAL III, L.P.**, as agent (hereinafter, in such capacity, the "Agent") for itself and other lending institutions (hereinafter, collectively, the "Lenders"), which are, or may in the future become parties to the Financing Agreement, dated as of November 21, 2002 (as amended and in effect from time to time, the "Financing Agreement"), among the Borrower, the Guarantors, the Lenders, and the Agent.

WHEREAS, it is a condition precedent to the Lenders' making the term loan or otherwise extending credit to the Borrower under the Financing Agreement that the Assignors execute and deliver to the Agent, for the benefit of the Lenders and the Agent, a trademark assignment in substantially the form hereof;

WHEREAS, pursuant to the Financing Agreement, each Assignor has granted to the Agent, for the benefit of the Lenders and the Agent, a security interest in certain of such Assignor's personal property and fixture assets, including, without limitation the trademarks, service marks, trademark and service mark registrations, and trademark and service mark registration applications listed on Schedule A attached hereto, all to secure the payment and performance of the Obligations (as defined in the Financing Agreement); and

WHEREAS, this Trademark Assignment is supplemental to the provisions contained in the Financing Agreement;

NOW, THEREFORE, in consideration of the premises contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1. DEFINITIONS.

Capitalized terms used herein and not otherwise defined herein shall have the respective meanings provided therefor in the Financing Agreement. In addition, the following terms shall have the meanings set forth in this §1 or elsewhere in this Trademark Assignment referred to below:

Assignment of Marks. See §2.1.

Associated Goodwill. All goodwill of each Assignor and its business, products and services appurtenant to, associated with or symbolized by the Trademarks and the use thereof.

Pledged Trademarks. All of each Assignor's right, title and interest in and to all of the Trademarks, the Trademark Registrations, the Trademark License Rights, the Trademark Rights, the Associated Goodwill, the Related Assets, and all accessions to, substitutions for, replacements of, and all products and proceeds of any and all of the foregoing.

PTO. The United States Patent and Trademark Office.

Related Assets. All assets, rights and interests of each Assignor that uniquely reflect or embody the Associated Goodwill, including the following:

(a) all patents, inventions, copyrights, trade secrets, confidential information, formulae, methods or processes, compounds, recipes, know-how, methods and operating systems, drawings, descriptions, formulations, manufacturing and production and delivery procedures, quality control procedures, product and service specifications, catalogs, price lists, and advertising materials, relating to the manufacture, production, delivery, provision and sale of goods or services under or in association with any of the Trademarks; and

(b) the following documents and things in the possession or under the control of such Assignor, or subject to its demand for possession or control, related to the production, delivery, provision and sale by such Assignor, or any affiliate, franchisee, licensee or contractor, of products or services sold by or under the authority of such Assignor in connection with the Trademarks or Trademark Rights, whether prior to, on or subsequent to the date hereof:

(i) all lists, contracts, ancillary documents and other information that identify, describe or provide information with respect to any customers, dealers or distributors of such Assignor, its affiliates or franchisees or licensees or contractors, for products or services sold under or in connection with the Trademarks or Trademark Rights, including all lists and documents containing information regarding each customer's, dealer's or distributor's name and address, credit, payment, discount, delivery and other sale terms, and history, pattern and total of purchases by brand, product, style, size and quantity;

(ii) all agreements (including franchise agreements), product and service specification documents and operating, production and quality control manuals relating to or used in the design, manufacture, production,

delivery, provision and sale of products or services under or in connection with the Trademarks or Trademark Rights;

(iii) all documents and agreements relating to the identity and locations of all sources of supply, all terms of purchase and delivery, for all materials, components, raw materials and other supplies and services used in the manufacture, production, provision, delivery and sale of products or services under or in connection with the Trademarks or Trademark Rights; and

(iv) all agreements and documents constituting or concerning the present or future, current or proposed advertising and promotion by such Assignor (or any of its affiliates, franchisees, licensees or contractors) of products or services sold under or in connection with the Trademarks or Trademark Rights.

Trademark Assignment. This Trademark Collateral Security and Pledge Agreement, as amended and in effect from time to time.

Trademark License Rights. Any and all past, present or future rights and interests of each Assignor pursuant to any and all past, present and future franchising or licensing agreements in favor of such Assignor, or to which such Assignor is a party, pertaining to any Trademarks, Trademark Registrations, or Trademark Rights owned or used by third parties in the past, present or future, including the right (but not the obligation) in the name of such Assignor or the Agent to enforce, and sue and recover for, any breach or violation of any such agreement to which such Assignor is a party.

Trademark Registrations. All past, present or future federal, state, local and foreign registrations of the Trademarks, all past, present and future applications for any such registrations (and any such registrations thereof upon approval of such applications), together with the right (but not the obligation) to apply for such registrations (and prosecute such applications) in the name of any Assignor or the Agent, and to take any and all actions necessary or appropriate to maintain such registrations in effect and renew and extend such registrations.

Trademark Rights. Any and all past, present or future rights in, to and associated with the Trademarks throughout the world, whether arising under federal law, state law, common law, foreign law or otherwise, including the following: all such rights arising out of or associated with the Trademark Registrations; the right (but not the obligation) to register claims under any state, federal or foreign trademark law or regulation; the right (but not the obligation) to sue or bring opposition or cancellation proceedings in the name of any Assignor or the Agent for any and all past, present and future infringements or dilution of or any other damages or injury to the Trademarks, the Trademark Rights, or the Associated Goodwill, and the rights to damages or profits due or accrued arising out of or in connection with any such past, present or future infringement, dilution, damage or injury; and the Trademark License Rights.

Trademarks. All of the trademarks, service marks, designs, logos, indicia, trade names, corporate names, company names, business names, fictitious business names, trade styles, elements of package or trade dress, and other source and product or service identifiers, used or associated with or appurtenant to the products, services and businesses of any Assignor, that (a) are set forth on Schedule A hereto, or (b) have been adopted, acquired, owned, held or used by such Assignor or are now owned, held or used by such Assignor, in such Assignor's business, or with such Assignor's products and services, or in which such Assignor has any right, title or interest, or (c) are in the future adopted, acquired, owned, held and used by such Assignor in such Assignor's business or with such Assignor's products and services, or in which such Assignor in the future acquires any right, title or interest.

use. With respect to any Trademark, all uses of such Trademark by, for or in connection with the applicable Assignor or its business or for the direct or indirect benefit of the applicable Assignor or its business, including all such uses by such Assignor itself, by any of the affiliates of such Assignor, or by any franchisee, licensee or contractor of such Assignor.

Unless otherwise provided herein, the rules of interpretation set forth in §1.02 of the Financing Agreement shall be applicable to this Trademark Assignment.

2. GRANT OF SECURITY INTEREST.

2.1. Security Interest; Assignment of Marks. As collateral security for the payment and performance in full of all of the Obligations, each Assignor hereby unconditionally grants to the Agent, for the benefit of the Lenders and the Agent, a continuing security interest in and lien on the Pledged Trademarks, and pledges and mortgages (but does not transfer title to) the Pledged Trademarks to the Agent for the benefit of the Lenders and the Agent. In addition, each Assignor has executed in blank and delivered to the Agent an assignment of federally registered trademarks in substantially the form of Exhibit 1 hereto (the "Assignment of Marks"). Each Assignor hereby authorizes the Agent to complete as assignee and record with the PTO the Assignment of Marks upon the occurrence and during the continuance of an Event of Default and the proper exercise of the Agent's remedies under this Trademark Assignment and the Financing Agreement.

2.2. Attachment. Each Assignor acknowledges that (a) value has been given, (b) such Assignor has rights in the Pledged Trademarks (other than after-acquired Pledged Trademarks), and (c) the parties have not agreed to postpone the time of attachment of the security interest created by this Trademark Assignment.

2.3. Conditional Assignment. In addition to, and not by way of limitation of, the grant, pledge and mortgage of the Pledged Trademarks provided in §2.1, each Assignor grants, assigns, transfers, conveys and sets over to the Agent, for the benefit of the Lenders and the Agent, such Assignor's entire right, title and interest in and to the Pledged Trademarks; provided that such grant, assignment, transfer and conveyance shall

be and become of force and effect only (a) upon or after the occurrence and during the continuance of an Event of Default and (b) either (i) upon the written demand of the Agent at any time during such continuance or (ii) immediately and automatically (without notice or action of any kind by the Agent) upon an Event of Default for which acceleration of the Loan is automatic under the Financing Agreement or upon the sale or other disposition of or foreclosure upon the Collateral pursuant to the Financing Agreement and applicable law (including the transfer or other disposition of the Collateral by any Assignor to the Agent or its nominee in lieu of foreclosure).

2.4. Supplemental to Financing Agreement. Pursuant to the Financing Agreement each Assignor has granted to the Agent, for the benefit of the Lenders and the Agent, a continuing security interest in and lien on the Collateral (including the Pledged Trademarks). The Financing Agreement, and all rights and interests of the Agent in and to the Collateral (including the Pledged Trademarks) thereunder, are hereby ratified and confirmed in all respects. In no event shall this Trademark Assignment, the grant, assignment, transfer and conveyance of the Pledged Trademarks hereunder, or the recordation of this Trademark Assignment (or any document hereunder) with the PTO, adversely affect or impair, in any way or to any extent, the Financing Agreement, the security interest of the Agent in the Collateral (including the Pledged Trademarks) pursuant to the Financing Agreement and this Trademark Assignment, the attachment and perfection of such security interest under the Uniform Commercial Code (including the security interest in the Pledged Marks), or any present or future rights and interests of the Agent in and to the Collateral under or in connection with the Financing Agreement, this Trademark Assignment or the Uniform Commercial Code. Any and all rights and interests of the Agent in and to the Pledged Trademarks (and any and all obligations of any Assignor with respect to the Pledged Trademarks) provided herein, or arising hereunder or in connection herewith, shall only supplement and be cumulative and in addition to the rights and interests of the Agent (and the obligations of any Assignor) in, to or with respect to the Collateral (including the Pledged Trademarks) provided in or arising under or in connection with the Financing Agreement and shall not be in derogation thereof.

3. REPRESENTATIONS, WARRANTIES AND COVENANTS.

Each Assignor represents, warrants and covenants, with respect to the Pledged Trademarks for which it is the Assignor, that: (a) Schedule A sets forth a true and complete list of all Trademarks and Trademark Registrations now owned, licensed, controlled or used by such Assignor; (b) the Trademarks and Trademark Registrations are subsisting and have not been adjudged invalid or unenforceable, in whole or in part, and there is no litigation or proceeding pending concerning the validity or enforceability of the Trademarks or Trademark Registrations; (c) to the best of such Assignor's knowledge, each of the Trademarks and Trademark Registrations is valid and enforceable; (d) to the best of such Assignor's knowledge, there is no infringement by others of the Trademarks, Trademark Registrations or Trademark Rights; (e) no claim has been made that the use of any of the Trademarks does or may violate the rights of any third person, and to the best of such Assignor's knowledge, there is no infringement by such Assignor of the

trademark rights of others; (f) such Assignor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each of the Trademarks (other than ownership and other rights reserved by third party owners with respect to Trademarks that such Assignor is licensed to use), free and clear of any liens, charges, encumbrances and adverse claims, including pledges, assignments, licenses, registered user agreements and covenants by such Assignor not to sue third persons, other than the security interest and assignment created by the Financing Agreement, this Trademark Assignment and Permitted Liens; (g) such Assignor has the unqualified right to enter into this Trademark Assignment and to perform its terms and has entered and will enter into written agreements with each of its present and future employees, agents, consultants, licensors and licensees that will enable them to comply with the covenants herein contained; (h) such Assignor has used, and will continue to use, proper statutory and other appropriate proprietary notices in connection with its use of the Trademarks; (i) such Assignor has used, and will continue to use for the duration of this Trademark Assignment, consistent standards of quality in its manufacture and provision of products and services sold or provided under the Trademarks; (j) this Trademark Assignment, together with the Financing Agreement, will create in favor of the Agent a valid and perfected security interest in the Pledged Trademarks upon making the filings referred to in clause (k) of this §3; and (k) except for the filing of financing statements with the Secretary of State for the State of organization of such Assignor, as the case may be under the Uniform Commercial Code and the recording of this Trademark Assignment with the PTO, no authorization, approval or other action by, and no notice to or filing with, any governmental or regulatory authority, agency or office is required either (i) for the grant by such Assignor or the effectiveness of the security interest and assignment granted hereby or for the execution, delivery and performance of this Trademark Assignment by such Assignor, or (ii) for the perfection of or the exercise by the Agent of any of its rights and remedies hereunder.

4. INSPECTION RIGHTS.

Each Assignor hereby grants to each of the Agent and the Lenders and its employees and agents the right to visit such Assignor's plants and facilities that manufacture, inspect or store products sold under any of the Trademarks, and to inspect the products and quality control records relating thereto at reasonable times during regular business hours. Prior to an Event of Default, such grant shall be based upon prior reasonable notice.

5. NO TRANSFER OR INCONSISTENT AGREEMENTS.

Without the Agent's prior written consent, no Assignor will (a) mortgage, pledge, assign, encumber, grant a security interest in, transfer, license or alienate any of the Pledged Trademarks (except for Permitted Liens), or (b) enter into any agreement (for example, a license agreement) that is inconsistent with such Assignor's obligations under this Trademark Assignment or the Financing Agreement.

6. AFTER-ACQUIRED TRADEMARKS, ETC.

6.1. After-acquired Trademarks. If, before the Obligations shall have been finally paid and satisfied in full, any Assignor shall obtain any right, title or interest in or to any other or new Trademarks, Trademark Registrations or Trademark Rights, the provisions of this Trademark Assignment shall automatically apply thereto and such Assignor shall promptly provide to the Agent notice thereof in writing and execute and deliver to the Agent such documents or instruments as the Agent may reasonably request further to implement, preserve or evidence the Agent's interest therein.

6.2. Amendment to Schedule. Each Assignor authorizes the Agent to modify this Trademark Assignment and the Assignment of Marks, without the necessity of such Assignor's further approval or signature, by amending Exhibit A hereto and the Annex to the Assignment of Marks to include any future or other Trademarks, Trademark Registrations or Trademark Rights under §2 or §6.

7. TRADEMARK PROSECUTION.

7.1. Assignor Responsible. Each Assignor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with the Pledged Trademarks, and shall hold each of the Agent and the Lenders harmless from any and all costs, damages, liabilities and expenses that may be incurred by the Agent or any Lender in connection with the Agent's interest in the Pledged Trademarks or any other action or failure to act in connection with this Trademark Assignment or the transactions contemplated hereby. In respect of such responsibility, such Assignor shall retain trademark counsel acceptable to the Agent.

7.2. Assignor's Duties, etc. With respect to the Pledged Trademarks for which it is the Assignor, each Assignor shall have the right and the duty, through trademark counsel acceptable to the Agent, to prosecute diligently any trademark registration applications of the Trademarks pending as of the date of this Trademark Assignment or thereafter, to preserve and maintain all rights in the Trademarks and Trademark Registrations, including the filing of appropriate renewal applications and other instruments to maintain in effect the Trademark Registrations and the payment when due of all registration renewal fees and other fees, taxes and other expenses that shall be incurred or that shall accrue with respect to any of the Trademarks or Trademark Registrations. Any expenses incurred in connection with such applications and actions shall be borne by such Assignor. No Assignor shall abandon any filed trademark registration application, or any Trademark Registration or Trademark, without the consent of the Agent, which consent shall not be unreasonably withheld.

7.3. Assignor's Enforcement Rights. With respect to the Pledged Trademarks for which it is the Assignor, each Assignor shall have the right and the duty to bring suit or other action in such Assignor's own name to maintain and enforce the Trademarks, the Trademark Registrations and the Trademark Rights. Each Assignor may require the

Agent to join in such suit or action as necessary to assure such Assignor's ability to bring and maintain any such suit or action in any proper forum if (but only if) the Agent is completely satisfied that such joinder will not subject the Agent or any Lender to any risk of liability. Each Assignor shall promptly, upon demand, reimburse and indemnify the Agent and each Lender for all damages, costs and expenses, including legal fees, incurred by the Agent or any Lender pursuant to this §7.3.

7.4. Protection of Trademarks, etc. In general, each Assignor shall take any and all such actions (including institution and maintenance of suits, proceedings or actions) as may be necessary or appropriate to properly maintain, protect, preserve, care for and enforce the Pledged Trademarks. No Assignor shall take or fail to take any action, nor permit any action to be taken or not taken by others under its control, that would adversely affect the validity, grant or enforcement of the Pledged Trademarks.

7.5. Notification by Assignor. Promptly upon obtaining knowledge thereof, the Assignors will notify the Agent in writing of the institution of, or any final adverse determination in, any proceeding in the PTO or any similar office or agency of the United States or any foreign country, or any court, regarding the validity of any of the Trademarks or Trademark Registrations or any Assignor's rights, title or interests in and to the Pledged Trademarks, and of any event that does or reasonably could materially adversely affect the value of any of the Pledged Trademarks, the ability of any Assignor or the Agent to dispose of any of the Pledged Trademarks or the rights and remedies of the Agent in relation thereto (including but not limited to the levy of any legal process against any of the Pledged Trademarks).

8. REMEDIES.

Upon the occurrence and during the continuance of an Event of Default, the Agent shall have, in addition to all other rights and remedies given it by this Trademark Assignment (including, without limitation, those set forth in §2.3, the Financing Agreement and the other Loan Documents, those allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in the State of New York, and, without limiting the generality of the foregoing, the Agent may immediately, without demand of performance and without other notice (except as set forth next below) or demand whatsoever to any Assignor, all of which are hereby expressly waived, sell or license at public or private sale or otherwise realize upon the whole or from time to time any part of the Pledged Trademarks, or any interest that such Assignor may have therein, and after deducting from the proceeds of sale or other disposition of the Pledged Trademarks all expenses incurred by the Agent or any Lender in attempting to enforce this Trademark Assignment (including all reasonable expenses for broker's fees and legal services), shall apply the residue of such proceeds toward the payment of the Obligations as set forth in or by reference in the Financing Agreement. Notice of any sale, license or other disposition of the Pledged Trademarks shall be given to any Assignor at least five (5) Business Days before the time that any intended public sale or other public disposition of the Pledged Trademarks is to be made or after which any private sale or other private disposition of the Pledged Trademarks may be made,

which each Assignor hereby agrees shall be reasonable notice of such public or private sale or other disposition. At any such sale or other disposition, the Agent may, to the extent permitted under applicable law, purchase or license the whole or any part of the Pledged Trademarks or interests therein sold, licensed or otherwise disposed of.

9. COLLATERAL PROTECTION.

If any Assignor shall fail to do any act that it has covenanted to do hereunder, or if any representation or warranty of such Assignor shall be breached, the Agent, in its own name or that of such Assignor (in the sole discretion of the Agent), may (but shall not be obligated to) do such act or remedy such breach (or cause such act to be done or such breach to be remedied), and such Assignor agrees promptly to reimburse the Agent for any cost or expense incurred by the Agent in so doing.

10. POWER OF ATTORNEY.

If any Event of Default shall have occurred and be continuing, each Assignor does hereby make, constitute and appoint the Agent (and any officer or agent of the Agent as the Agent may select in its exclusive discretion) as such Assignor's true and lawful attorney-in-fact, with full power of substitution and with the power to endorse such Assignor's name on all applications, documents, papers and instruments necessary for the Agent to use the Pledged Trademarks, or to grant or issue any exclusive or nonexclusive license of any of the Pledged Trademarks to any third person, or to take any and all actions necessary for the Agent to assign, pledge, convey or otherwise transfer title in or dispose of any of the Pledged Trademarks or any interest of such Assignor therein to any third person, and, in general, to execute and deliver any instruments or documents and do all other acts that such Assignor is obligated to execute and do hereunder. Each Assignor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof and releases each of the Agent and the Lenders from any claims, liabilities, causes of action or demands arising out of or in connection with any action taken or omitted to be taken by the Agent under this power of attorney (except for the Agent's gross negligence or willful misconduct as finally determined by a court of competent jurisdiction). This power of attorney is coupled with an interest and shall be irrevocable for the duration of this Trademark Assignment.

11. FURTHER ASSURANCES.

The Assignors shall, at any time and from time to time, and at their expense, make, execute, acknowledge and deliver, and file and record as necessary or appropriate with governmental or regulatory authorities, agencies or offices, such agreements, assignments, documents and instruments, and do such other and further acts and things (including, without limitation, obtaining consents of third parties), as the Agent may request or as may be necessary or appropriate in order to implement and effect fully the intentions, purposes and provisions of this Trademark Assignment, or to assure and confirm to the Agent the grant, perfection and priority of the Agent's security interest in the Pledged Trademarks.

12. TERMINATION.

At such time as all of the Obligations have been finally paid and satisfied in full, this Trademark Assignment shall terminate and the Agent shall, upon the written request and at the expense of the Assignors, execute and deliver to the Assignors all deeds, assignments and other instruments as may be necessary or proper to reassign and reconvey to and re-vest in the Assignors the entire right, title and interest to the Pledged Trademarks previously granted, assigned, transferred and conveyed to the Agent by the Assignors pursuant to this Trademark Assignment, as fully as if this Trademark Assignment had not been made, subject to any disposition of all or any part thereof that may have been made by the Agent pursuant hereto or the Financing Agreement.

13. COURSE OF DEALING.

No course of dealing between any Assignor and the Agent, nor any failure to exercise, nor any delay in exercising, on the part of the Agent or any Lender, any right, power or privilege hereunder or under the Financing Agreement or any other agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

14. EXPENSES.

Any and all fees, costs and expenses, of whatever kind or nature, including the reasonable attorneys' fees and expenses incurred by the Agent or any Lender in connection with the preparation of this Trademark Assignment and all other documents relating hereto, the consummation of the transactions contemplated hereby or the enforcement hereof, the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, counsel fees, maintenance or renewal fees, encumbrances, or otherwise protecting, maintaining or preserving the Pledged Trademarks, or in defending or prosecuting any actions or proceedings arising out of or related to the Pledged Trademarks, shall be borne and paid by the Assignors.

15. OVERDUE AMOUNTS.

Until paid, all amounts due and payable by any Assignor hereunder shall be a debt secured by the Pledged Trademarks and other Collateral and shall bear, whether before or after judgment, interest at the rate of interest for overdue principal set forth in the Financing Agreement.

16. NO ASSUMPTION OF LIABILITY; INDEMNIFICATION.

NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED HEREIN, NEITHER THE AGENT NOR ANY LENDER ASSUMES ANY LIABILITIES OF ANY ASSIGNOR WITH RESPECT TO ANY CLAIM OR CLAIMS REGARDING SUCH ASSIGNOR'S OWNERSHIP OR PURPORTED

OWNERSHIP OF, OR RIGHTS OR PURPORTED RIGHTS ARISING FROM, ANY OF THE PLEDGED TRADEMARKS OR ANY USE, LICENSE OR SUBLICENSE THEREOF, WHETHER ARISING OUT OF ANY PAST, CURRENT OR FUTURE EVENT, CIRCUMSTANCE, ACT OR OMISSION OR OTHERWISE. ALL OF SUCH LIABILITIES SHALL BE EXCLUSIVELY THE RESPONSIBILITY OF EACH ASSIGNOR, AND SUCH ASSIGNOR SHALL INDEMNIFY THE AGENT AND THE LENDERS FOR ANY AND ALL COSTS, EXPENSES, DAMAGES AND CLAIMS, INCLUDING LEGAL FEES, INCURRED BY THE AGENT OR ANY LENDER WITH RESPECT TO SUCH LIABILITIES.

17. NOTICES.

All notices and other communications made or required to be given pursuant to this Trademark Assignment shall be made in the manner set forth in §12.01 of the Financing Agreement.

18. AMENDMENT AND WAIVER.

This Trademark Assignment is subject to modification only by a writing signed by the Agent (with the consent of the Required Lenders) and the Assignors, except as provided in §6.2. The Agent shall not be deemed to have waived any right hereunder unless such waiver shall be in writing and signed by the Agent (with the consent of the Required Lenders). A waiver on any one occasion shall not be construed as a bar to or waiver of any right on any future occasion.

19. GOVERNING LAW; CONSENT TO JURISDICTION.

THIS TRADEMARK ASSIGNMENT IS INTENDED TO TAKE EFFECT AS A SEALED INSTRUMENT AND SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK. Each Assignor agrees that any suit for the enforcement of this Trademark Assignment may be brought in the courts of the State of New York or any federal court sitting therein and consents to the non-exclusive jurisdiction of such court and to service of process in any such suit being made upon such Assignor by mail at the address specified in §17. Each Assignor hereby waives any objection that they may now or hereafter have to the venue of any such suit or any such court or that such suit is brought in an inconvenient court.

20. WAIVER OF JURY TRIAL.

EACH ASSIGNOR WAIVES ITS RIGHT TO A JURY TRIAL WITH RESPECT TO ANY ACTION OR CLAIM ARISING OUT OF ANY DISPUTE IN CONNECTION WITH THIS TRADEMARK ASSIGNMENT, ANY RIGHTS OR OBLIGATIONS HEREUNDER OR THE PERFORMANCE OF ANY SUCH RIGHTS OR OBLIGATIONS. Except as prohibited by law, each Assignor waives any right which it may have to claim or recover in any litigation referred to in the preceding

sentence any special, exemplary, punitive or consequential damages or any damages other than, or in addition to, actual damages. Each Assignor (a) certifies that neither the Agent or any Lender nor any representative, agent or attorney of the Agent or any Lender has represented, expressly or otherwise, that the Agent or any Lender would not, in the event of litigation, seek to enforce the foregoing waivers, and (b) acknowledges that, in entering into the Financing Agreement, and the other Loan Documents to which the Agent or any Lender is a party, the Agent and the Lenders are relying upon, among other things, the waivers and certifications contained in this §20.

21. MISCELLANEOUS.

The headings of each section of this Trademark Assignment are for convenience only and shall not define or limit the provisions thereof. This Trademark Assignment and all rights and obligations hereunder shall be binding upon the Assignors and their respective successors and assigns, and shall inure to the benefit of the Agent, the Lenders and their respective successors and assigns. In the event of any irreconcilable conflict between the provisions of this Trademark Assignment and the Financing Agreement, the provisions of the Financing Agreement shall control. If any term of this Trademark Assignment shall be held to be invalid, illegal or unenforceable, the validity of all other terms hereof shall in no way be affected thereby, and this Trademark Assignment shall be construed and be enforceable as if such invalid, illegal or unenforceable term had not been included herein. Each Assignor acknowledges receipt of a copy of this Trademark Assignment.

22. SUBORDINATION

Notwithstanding anything to the contrary contained in the provisions of this Trademark Assignment, the parties hereto acknowledge that (i) all rights and remedies of the Agent and the Lenders and (ii) all obligations of the Assignors hereunder shall be subject to the provisions of the Intercreditor Agreement.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, each Assignor, by its duly authorized officer, has executed this assignment, as an instrument under seal, on this ___ day of _____, 20__.
