TRADEMARK COLLATERAL AGREEMENT

This 12th day of March, 2003, Field Packing Company LLC, a Kentucky limited liability company ("*Debtor*") with its principal place of business and mailing address at 2890 Chancellor Drive, Suite 210, Crestview Hills, Kentucky 41017, in consideration of ten dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, assigns, mortgages and pledges to Harris Trust and Savings Bank, an Illinois banking corporation ("*HTSB*") with its mailing address at 111 West Monroe Street, Chicago, Illinois 60007, acting as collateral agent hereunder for the Secured Creditors as defined in the Security Agreement hereinafter identified and defined (HTSB acting as such collateral agent and any successor or successors to HTSB acting in such capacity being hereinafter referred to as the "*Collateral Agent*"), and grants to the Collateral Agent a continuing security interest in, the following property:

(i) Each trademark, trademark registration and trademark application listed on Schedule A hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each such trademark, trademark registration and trademark application; and

(ii) All proceeds of the foregoing, including without limitation any claim by Debtor against third parties for damages by reason of past, present or future infringement of any trademark or trademark registration listed on Schedule A hereto or by reason of injury to the goodwill associated with any such trademark or trademark registration, together with the right to sue for and collect said damages;

to secure performance of all Secured Obligations of SMG Holdings, Inc., a Delaware corporation (the "*Borrower*"), Debtor and certain other affiliates of Debtor as set out in that certain Security Agreement bearing even date herewith among the Borrower, Debtor, certain other affiliates of Debtor and the Collateral Agent (such Security Agreement as the same may be amended, modified or restated from time to time hereinafter referred to as the "*Security Agreement*").

Notwithstanding anything herein to the contrary, this Trademark Collateral Agreement shall not operate as a sale, transfer, conveyance or other assignment to the Collateral Agent of any applications by Debtor for a Trademark based on an intent to use the same if and so long as such application is pending without a Statement of Use having been filed and accepted (such pending applications which are based on intent to use being hereinafter referred to collectively as "*Intent-To-Use Applications*"), but rather, if and so long as Debtor's Intent-To-Use Application is pending without a Statement of Use having been filed and accepted, then this Trademark Collateral Agreement shall operate only to create a security interest for collateral purposes in favor of the Collateral Agent on such Intent-To-Use Application as collateral security for the Secured Obligations. When a Statement of Use is filed and accepted by the Trademark Office, then that application shall cease to be partly exempted from this Agreement.

Debtor does hereby further acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the assignment, mortgage, pledge and security interest in the

trademarks, trademark registrations and trademark applications made and granted hereby are more fully set forth in the Security Agreement.

IN WITNESS WHEREOF, Debtor has caused this Trademark Collateral Agreement to be duly executed as of the date and year last above written.
