Such Pledge constitutes a first priority lien and security interest in and to the Patents and the Trademarks in favor of the Security Agent acting for itself and for the Pledges.

2.2 Each Pledgor gives authority to the Security Agent to take and implement, at the cost and expense of the Pledgors, all actions anywhere in connection with the perfection of (i) the pledge of the Patents and (ii) the pledge of the Trademarks with the appropriate authorities in any country. Each Pledgor shall give all assistance requested by the Security Agent relating to such perfection, and in particular but without limitation will complete and sign all powers of attorney, forms, execute all documents and carry out all acts or formalities, on first demand by the Security Agent, in order to give full effect thereto for the benefit of the Pledges. The same authorisation is separately expressed as a power of attorney granted in the name of each Pledgor, as delivered to the Security Agent on the date of this Agreement duly signed by each Pledgor in the form set out in Schedule 4 hereto. Such power is irrevocable and coupled with an interest. In addition, the Security Agent shall also be entitled to request that each Pledgor takes and implement such perfection of the Pledges.

2.3 The Security Agent shall be entitled to directly instruct any of the Pledgors' present and/or future legal representatives in connection with the Pledged Assets. subject to clause 8.6.1, use the Pledged Assets as provided by applicable patent, trademark or other laws under the relevant jurisdiction;

effect all necessary filings and renewals, to keep the registrations up-to date;

pursue all applications to secure registration;

not allow any third party interest to subsist in the Pledged Assets including, but not limited to, not granting any licenses regarding the Pledged Assets other than:

(a) those existing on the date of this Agreement and listed in Schedule 6 hereto;

(b) with the prior written consent of the Security Agent;

display all appropriate notices and markings as provided by statute; and

2.8 Each Pledgor shall, on first request, provide the Security Agent with any and all information related to the Pledged Assets.

2.9 Notwithstanding anything to the contrary set forth herein, Pledgors shall be permitted to allow any of the Patents listed in Schedule 2(b) and any of the Trademarks listed in Schedule 3(b) to lapse by refraining from taking the next action (following the effective date of this Agreement) necessary for the maintenance of same, provided that Pledgors furnish the Security Agent with written notice of their intention to allow such lapsing, such notice to be transmitted no less than ninety (90) days prior to the deadline for taking such maintenance action.

**3. UP-STREAM AND CROSS-STREAM PLEDGES: LIMITATION AND WITH-HOLDING TAX**

3.2 Each Pledgor shall, in relation to Secured Obligations comprised by amounts or obligations owed by a person other than it and/or its Subsidiaries:

f and to the extent required by applicable mandatory law in force at the relevant time:

(a) subject to any applicable double taxation treaty, deduct Swiss anticipatory tax (withholding tax) at the rate of 35 per cent. or such other rate as in force from time to time from any payment made by it in respect of such Secured Obligations;

(b) pay any such deduction to the Swiss Federal Tax Administration; and

(c) notify (or procure that the Obligors' Agent notifies) the Security Agent that such a deduction has been made and provide the Security Agent with evidence satisfactory to the Security Agent that such a deduction has been paid to the Swiss Federal Tax Administration; and

to the extent such a deduction is made, not be obliged to gross-up in accordance with clause 13.1 of the Facility Agreement in respect of any payment made by it in respect of such Secured Obligations.

**4. FURTHER UNDERTAKINGS OF THE PLEDGORS**

The Pledgors shall not enter into any legal instrument relating to, or granting any Encumbrance over, or dispose of, or assign any part of the Pledged Assets or take any other action that would jeopardise, impair or reduce any rights of the Security Agent or any of the Pledgees under any pledge or this Agreement, or would jeopardise Enforcement of any pledge or jeopardise, impair or reduce the value of the Pledged Assets.

**5. ALLOCATION**

The Security Agent acting on behalf of the Pledgees shall be entitled to allocate moneys and/or assets received pursuant to an Enforcement of the security granted hereby to Secured Obligations as it sees fit (in accordance with the terms of the Finance Documents).

**6. REMEDIES UPON EVENT OF DEFAULT**

6.1 Upon the occurrence of an Event of Default, the Security Agent (acting on behalf of

TRADEMARK

REEL: 002703 FRAME: 0106

the Pledges) shall be entitled, subject to clause 6.4, at its discretion, to:

effect Enforcement (whether in whole or in part) by either (a) private disposal ("*Private Verwertung/Freihandverkauf*") (b) enforcement proceedings pursuant to the Swiss Federal Statute on Debt Collection and Bankruptcy under the exclusion of Art. 41 of the Swiss Federal Act on Debt Collection and Bankruptcy or (c) foreclosure proceedings conducted in the United States pursuant to United States federal and/or state laws;

- 6.1.2 act as agent contracting in its own name and in the name of the Pledges and on its and their accounts or for the account of third persons in connection with any private or public Enforcement; and

act generally in relation to the Pledged Assets in such manner as the Security Agent acting in good faith shall determine, and the Pledgors shall fully cooperate with all actions taken by the Security Agent.

- 6.2 Failure or delay by the Security Agent (acting on behalf of the Pledges) to sell the Pledged Assets or to exercise any right or remedy including, but not limited to, the acceptance of partial or delinquent payments, shall not result in any liability of the Security Agent or any Pledgee and shall not prejudice any of the rights of the Security Agent or the Pledges under this Agreement or under any other Finance Document nor be a waiver or release of any obligation of the Pledgors under this Agreement or of the Obligors or the Pledgors under the Finance Documents.

Without prejudice to or limitation of the Security Agent's rights under paragraph 10.2 hereof, each Pledgor has appointed Sicpa Holding S.A. to act as its agent in connection with each Finance Document (which includes, for the avoidance of doubt, this Agreement) to do all acts and things under or in connection with this Agreement together with any other incidental rights, powers, authorities or discretions, including, without limitation, the giving and receiving of notices under this Agreement.

The Security Agent may delegate by power of attorney or in any other manner or assign to any person any right, power or discretion exercisable by it under this Agreement.
