### RECITAL

In order to induce Lender to enter into one or more agreements with and extend loans and other financial accommodations to Borrower and in consideration of any credit, advances or financial accommodations now or hereafter granted to or on behalf of Borrower by Lender, Borrower and Lender hereby agree to the terms and conditions set forth below.

### AGREEMENTS

1. **Grant of Security Interest.** Borrower does hereby grant to Lender a security interest in the following personal property ("Collateral"):

(a) All present and future trademarks, tradenames and service marks and federal, state and foreign trademark, tradename and service mark registrations and applications belonging to Borrower, including, but not limited to, the personal property described on **Exhibit A** attached hereto and incorporated herein by this reference;

(b) All present and future elements of package or trade dress goods belonging to the undersigned;

(c) All present and future goodwill belonging to the undersigned and connected with or symbolized by the foregoing trademarks, tradenames, service marks, trademark registrations, tradename registrations, service mark registrations, trademark applications, tradename applications, service mark applications, package and trade dress;

(d) All present and future licenses belonging to the undersigned and pertaining to trademarks, tradenames, service marks, trademark registrations, tradename registrations, service mark registrations, trademark applications, tradename applications, service mark applications, package and trade dress; and

(e) All proceeds and products of and books and records pertaining to the foregoing personal property.

2. **Obligations Secured by Collateral.** The Collateral shall secure the following (collectively "Obligations"):

(a) the payment and performance of all of Borrower's indebtedness, liabilities and obligations to Lender under the following loan documents (collectively "Loan Documents"):

(i) the Loan Agreement;

(ii) this Agreement;

(iii) All other present and future agreements between Borrower and Lender of any kind; and

(iv) All amendments, modifications, replacements, and substitutions to any of the foregoing; and

(b) the payment and performance of all other present and future indebtedness, liabilities and obligations (primary and secondary, direct and contingent, joint and/or several) of Borrower to Lender of any kind.

3. **Representations and Warranties.** Borrower hereby represents and warrants that:

(a) Borrower is the owner of the Collateral free and clear of all liens, charges, encumbrances, setoffs, defenses and counterclaims of whatsoever kind or nature (except for the security interests constituting Permitted Encumbrances under the Loan Agreement and the security interests granted to Lender);

(b) Except for the foregoing security interests, Borrower has not made and shall not make any assignment, license, pledge, mortgage, hypothecation or transfer of the Collateral or the proceeds thereof without the prior written consent of Lender;

(c) this Agreement does not contravene any statute, ordinance, administrative rule, contract, or other agreement binding on Borrower including, but not limited to, any license agreement pertaining to the Collateral; and

(d) there are no legal actions or administrative proceedings pending or threatened before any court or administrative agency involving the Collateral that, if determined adversely to Borrower, would result in a material obligation or liability of Borrower.

4. **Use and Ownership Prior to Default.** Borrower shall use the Collateral only in the ordinary course of its business. Borrower shall defend its title to the Collateral free and clear of all liens, charges, encumbrances, setoffs, defenses and counterclaims of every kind or nature (except for the security interests constituting Permitted Encumbrances under the Loan Agreement and the security interests granted to Lender) against all present and future contradictory claims. Borrower shall not assign, sell, transfer or otherwise encumber the Collateral without the prior written consent of Lender. Borrower shall not license the Collateral except in good faith and in the ordinary course of business and so long as such license is capable of being assigned to Lender without any adverse effect of any kind. Borrower shall take any action needed to maintain the full value of the Collateral in a timely manner. Lender is hereby appointed as Borrower's agent to take any action necessary to maintain the full value of the Collateral upon the occurrence and during the continuance of an event of default described in this Agreement, including, but not limited to, filing affidavits of continued use and renewing the trademarks and service marks contained in the Collateral. Borrower shall reimburse Lender for all sums expended to maintain the Collateral together with interest thereon at the lesser of (a) the highest rate described in the Loan Documents or (b) the highest rate permitted by law. Notwithstanding the foregoing, Lender shall not be required to maintain the Collateral and does not assume any other obligation or liability pertaining to the Collateral.

5. **Events of Default.** Borrower shall be in default of the obligations described in this Agreement in the event that: (a) Borrower defaults on the payment or performance of one or more Obligations to Lender under this Agreement; or (b) an event of default occurs under the Loan Agreement, any other Loan Document or any other present or future document, instrument or agreement between Borrower and Lender.

6. **Remedies on Default.** If there is a default under this Agreement, Lender shall be entitled to exercise one or more of the following remedies without presentment, dishonor, notice or demand of any kind (all of which are hereby waived by Borrower):

- (d) to set-off the Obligations against any amounts due to from Lender to Borrower including, but not limited to, monies and instruments maintained with Lender; and
- (e) to exercise all other rights available to Lender under any other present or future document, instrument or agreement between Borrower and Lender or applicable law.

Lender's rights are cumulative and may be exercised together, separately, and in any order.

Without limiting any of Borrower's obligations or Lender's rights under this Agreement or any of the other Loan Documents, Borrower shall provide Lender upon Lender's request from time to time with updated versions of this Agreement which describe all of the Collateral applied for and registered with the U.S. Patent and Trademark Office. In addition, Borrower shall provide Lender upon Lender's request from time to time with absolute assignments of the Collateral. Such assignments shall be in form and substance reasonably acceptable to Lender in its discretion acting in good faith. Borrower hereby appoints Lender as its attorney-in-fact to insert the name and address of the assignee and any other information required by the U.S. Patent and Trademark Office and file the assignments with that governmental authority but only upon the occurrence of an event of default under this Agreement and the foreclosure of Lender's security interest in the Collateral under applicable law. This power of attorney is coupled with an interest and irrevocable in nature.

7. **Indemnity.** Lender shall not assume or be responsible for the performance of any of Borrower's obligations with respect to the Collateral under any circumstances. 10. **Modification and Waiver.** No provision of this Agreement may be waived or modified except in a writing signed by the parties hereto. Lender may perform any of Borrower's obligations or delay or fail to exercise any of its rights under this Agreement without causing a waiver of those obligations or rights. A waiver on one occasion shall not constitute a waiver on any other occasion. Borrower's obligations under this Agreement shall not be affected if Lender amends, compromises, exchanges, fails to exercise, impairs or releases any of the obligations belonging to any person or

entity besides Borrower or any of its rights against any person or entity besides Borrower, any Collateral, or any other property of any kind.

11. **Successors and Assigns.** Borrower shall not be entitled to assign, convey, sell or transfer to any person or entity any of its rights or obligations described in this Agreement without obtaining Lender's prior written consent. This Agreement shall be binding upon and inure to the benefit of Borrower and Lender and their respective permitted successors, assigns, trustees and receivers.
